

WSO Website and Database Committee July Updates

- The Database and Website Committee has a channel on Slack. If you are interested in participating, please send an email to webservant@adultchildren.org.
- We can use people experienced with web design, particularly Word Press.
- adultchildren.org has been migrated to wordpress
 - The new site went live on July 6th
 - We continue to make changes as issues are reported. You can notify us of problems by using the contact us page on the website, or send issues with meetings to meetings@acawso.com, or general website issues to webservant@adultchildren.org
 - The daily affirmation is on the new website. We also have plans to add a sign up to get the daily affirmation emailed to you each day.
 - The meeting lists are live and we are getting some feedback. The old meeting lists URL are still active and will be retired shortly. We are working on forwarding those web addresses
 - PDF printable meeting lists are on the site.
 - Only the WSO Primary Contact (private) can make meeting, intergroup, or region changes.
- Assisting with the ABC Planning
 - Current plans are to use a single website acaworldconvention.org as we have done in the past – initially updates will be done soon 😊
 - The host committee is recommending use of Trippus that will take care of the registration for the event, and help with badges, and hotel reservations
 - Trippus will also support on line voting – this will be great to have everything integrated
 - We will also be using the standard teleconference system for remote access – we are looking at doing screen sharing so remote users can see the same thing as well as hear what is happening
 - We are testing the teleconferences with Screen sharing with ACA Town Halls. You will hear more about this shortly as we have a number of ACA town halls being planned with the various WSO committees.
