Chair: Sharon F.

Contact: mpseditor@adultchildren.org

Current projects:

- Updates to the adultchildren.org website
 - Currently working to update the "[Start a Meeting](#)" page
 - Have solicited feedback on Slack from members who've either started (or wanted to start) a new meeting in order to see what information would be most helpful on the page. Asked those members to post their ESH on the public member outreach Slack channel.
- ACA Membership Survey
 - Goal is to create and launch a Membership Survey, presenting the data at the 2020 ABC.
 - Have searched and gathered surveys from other 12 Step fellowships to use as resources.
 - After the 2019 ABC, will begin soliciting feedback from the various WSO committees as to what types of information may help them better meet the needs of the fellowship.

Upcoming items:

- Hoping to connect with more members interested in serving the fellowship within this subcommittee.
- Updating and/or creating more pages on the Adultchildren.org website to assist members and groups.
