OPPM (Operating Policy and Procedures Manual)

I. PURPOSE OF ACA WSO

The sole purpose of the Adult Children of Alcoholics World Service Organization (ACA WSO) is to serve the Fellowship of Adult Children of Alcoholics (ACA). It is an agency created and now designated by the fellowship of ACA to maintain service for those who might be seeking, through ACA, the means for recovering from being raised in an alcoholic or otherwise dysfunctional home, through sharing information and experiences with one another and by applying to their own lives, in whole or in part, the Twelve Steps, which constitute the recovery program upon which ACA is founded. (See Bylaw II)

The ACA WSO shall do this by using the 12 Traditions and the 12 Concepts of Service in its deliberations and decision-making process and use its best efforts to ensure that the traditions are maintained throughout the fellowship.

The ACA WSO shall consist of a Board of Trustees (hereafter referred to as the Board) for the purpose of complying with the laws of the State of California, which require a membership corporation to be composed of members. The Board will have all the powers provided for in its bylaws, including selection of Board members recommended by the Nominating Committee, the selection of officers of the Board as well as responsibilities for disposition of corporate assets. This is all done in the service of the purposes to which the ACA WSO is dedicated.

A member of the Board is subject to the laws of the State of California and is expected to exercise the powers vested in them by law in a manner consonant with the faith that permeates and guides the fellowship of ACA, inspired by the 12 Steps and in accordance with the 12 Traditions and the 12 Concepts of Service.

The ACA WSO may set up new corporate bodies to serve the purposes of ACA, provided that the ACA WSO shall own all of the capital stock of such corporate bodies, and if such corporate body is a membership corporation, its structure shall be in keeping with that of the ACA/WSO. The ACA WSO is expected to refrain from forming any new corporate body if a majority of the fellowship shall disapprove of its formation.

So that the ACA WSO Board may more effectively serve the purposes for which it is formed, an Executive Committee shall automatically be formed, solely consisting of all Officers of the Board, and furthermore that the Board of Trustees shall form any other committees as necessary to carry out its purposes, maintain an office, or storage space, for the archives and ACA WSO equipment, and conduct an Annual Business Conference (ABC).

II. BRIEF HISTORY

In 1983 the Adult Children of Alcoholics groups voted to establish a permanent Central Service Board (CSB) to act as trusted servant to the fellowship of the emerging ACA, responsible for implementation of service activities, and required to report their activities on a regular basis to all affiliated ACA meetings. They found and established immediately a phone and office staffed by ACA to serve as a center for communications and service work.

In 1984, at a Business Conference, groups voted to establish ACA as an autonomous

OPPM (Operating Policy and Procedures Manual)

Twelve-Step, Twelve-Tradition organization. It was voted to request the CSB to act as the World Service office on an interim basis (IWSO). It was agreed that any and all materials to be distributed to the general fellowship on a regular basis, must be submitted to the CSB/IWSO for review and acceptance prior to any such distribution.

It was determined that the CSB/IWSO would not create an 'Emeritus Status' for CSB/IWSO Trustees.

In 1989, by Ballot, the fellowship voted for the CSB/IWSO to be discontinued and the Trustees continue to serve as the ACA Interim World Service Organization (ACA/IWSO).

In 1990 the fellowship determined that "Interim" be dropped and the ACA/IWSO, by Ballot, became the World Service Organization (WSO) for ACA in 1991.

The principal office of the corporation, for the transaction of its business, is located in Los Angeles County, California. The corporation may also have offices at such other places, within or without the State of California, where it is qualified to do business as its business may require and as the members of the ACA WSO may designate. The Corporate Seal is kept within the ACA WSO office locked files along with its tax-exempt number.

The ACA WSO Board, in its deliberations and decisions, shall be guided by the Twelve Traditions and the Twelve Concepts of ACA and group conscience. The ACA WSO Board shall use its best efforts to ensure that these Traditions and Concepts are maintained, for it is regarded by the fellowship of ACA as the custodian of these Traditions and, accordingly, it shall not itself, nor, so far as it is within its power to do so, permit others to modify, alter or amplify these Traditions, except in keeping with the provisions of the ACA ABC.

ACA WSO Board members function as trustees of the ACA fellowship. In accordance with Tradition Two, the Board may act for the service of ACA; it shall never perform any acts of government.

III. WSO BOARD OF TRUSTEES

A. General

The number of individuals seated on the ACA WSO Board shall not exceed 20 at any one time.

Board members, also known as Trustees, shall be persons who are members of the ACA fellowship and who express a profound faith in the ACA recovery program.

Trustees shall not be personally liable for the debts, liabilities, or other obligations of the corporation. (Bylaw IV.4)

Trustees shall have all the powers provided for in the bylaws and which are normally vested in the "Board of Directors" under the laws of the State of California. They may, by general resolution, delegate to committees or to officers of the ACA WSO such powers as they deem appropriate in the service of the purposes to which the Board is dedicated.

OPPM (Operating Policy and Procedures Manual)

B. Responsibilities

The general responsibilities of the Trustees are to:

1. Exercise the powers vested in them by the laws of the State of California, in a manner consonant with the faith that permeates and guides the fellowship of ACA, inspired by the Twelve Steps of ACA, in accordance with the Twelve Traditions and Twelve Concepts of ACA, and in keeping with the directives of the ACA Annual Business Conference (ABC).
2. Contribute substantial time in order to perform the service required. This is further explained in the “Qualifications for Board Membership” section below.
3. Perform any and all responsibilities and duties imposed on them collectively or individually by law, the Articles of Incorporation, and/or the Bylaws.
4. Appoint and remove, employ and discharge, and except as otherwise provided in the bylaws, prescribe the duties and fix the compensation, if any, for agents and employees of the corporation.
5. Oversee all agents and senior level employees of the corporation to ensure that their duties are performed according to their assigned responsibilities.
6. Be responsible for advising the ACA fellowship with respect to the areas they represent, especially as it pertains to matters of policy.
7. Serve actively on at least one committee of the Board.
8. Read and be familiar with the content of this document (OPPM) and, until they become incorporated into the whole, be aware of any policy motions that are passed by the Board that impact this document.

C. Compensation

Per the ACA WSO Conflict of Interest Policy that all Trustees are required to sign, (see Appendix VIII) Trustees may not be compensated for rendering services to the corporation as a trustee,

Trustees shall, however, be paid reasonable advancement or reimbursement for expenses incurred in the performance of their regular duties.

D. ACA WSO Property

Trustees entrusted with any property of WSO, whether tangible or intangible, including but not limited to addresses, books, funds, keys, literature, meeting information, names, telephone lists, computer and other equipment and other information or property of the ACA WSO fellowship, shall provide exemplary care and utilization of such items during their period of service and shall protect these things from loss, mutilation, or use outside the service of ACA Twelve Step Groups or their individual members.

No person shall interpret ACA WSO material or property entrusted to his or her care as their personal or private property.

Within two weeks after the end of their Board tenure or tenure in a specific role within the organization, Trustees shall return all such property to the Board Secretary, or to the next individual filling that role. In the case of any additions being made to Board property that incurs financial costs, prior approval is necessary and receipts must be provided for reimbursement. (**Motion 2019_1214_?**)

OPPM (Operating Policy and Procedures Manual)

Additionally, upon notification by the Board at any other time and for cause, a Trustee may be asked to return WSO property. This may be done by registered or certified mail, or during an in-person or teleconferenced meeting of the Board at which a quorum is present. Such property shall be promptly returned (within 10 business days) to ACA WSO by turning it over to a designated member of the Board or if requested, ensuring delivery to the ACA WSO office.

E. Correspondence

To ensure that necessary records and documents, paper or electronic, are adequately protected and maintained as determined by the Board and in keeping with the laws of the State of California, the issue of correspondence will follow the guidelines of the ACA WSO Document Retention Policy (See Section (to be added)).

Trustees, when answering mail for the Board, may not speak for ACA, ACA WSO, or the Board unless directed to do so by the Board, unless it is designated to be their responsibility by virtue of their office. Trustees may, however, share their personal knowledge and recovery as long as it is made clear that it is their personal experience. This is appropriate whether the communication is by email or another online forum that may be set up for both Board and Fellowship participation, such as www.acawso.Slack.com, which is in use as of this writing.

Board members who receive and answer correspondence from the fellowship should do so using a WSO email account or an email account that can be surrendered to WSO when requested. For paper correspondence, the original correspondence and a copy of the reply should be forwarded to the office for filing.

Any correspondence generated or intended for distribution beyond the workings of the Board must be reviewed by the Board for purpose of policy, procedure and Tradition consistency.

F. Term of Service

A single term of service of a Trustee shall be two (2) years. Trustees are eligible to serve a maximum of three (3) terms of service.

Starting January 1, 2019, all new Trustees will commence their terms of service on the day they are installed on the Board, whether that is at the ABC or sometime mid-year. For example, if a Trustee is installed on February 1, 2019, their two-year term will end on January 31, 2021. If they remain on the Board for their full three terms, their service as a Trustee will end on January 31, 2025. However, if a Trustee's term of service starts at the ABC, their official start time will be the end of Day 2, thus making the end of their term the end of Day 2 of the ABC two years hence.

Regional Trustees are required to commit to a minimum of one two-year term of service, in the interest of continuity.

G. Leave of Absence

At the discretion of the Board, a Leave of Absence (LOA) will be given to a Trustee who has been sitting on the board for a minimum of one year at the time of the request. During a LOA said Trustee will not be involved in Board business or have voting rights.

OPPM (Operating Policy and Procedures Manual)

LOAs may be taken for a maximum of six months. If the Trustee is not ready to resume their service, they will be deemed to have resigned from the Board.

H. Commitment to Service

All members of the board shall agree to comply with, and be bound by, all terms and provisions of the ACA WSO bylaws as well as the policies and procedures as set forth in this document. As a condition of service, and prior to their election to the Board, potential Trustees shall sign the ACA WSO Suggested Commitment to Service. A copy of this document may either be obtained from the Board Secretary or downloaded from the WSO website. It is also shown on pages 601 and 602 in our fellowship text (BRB).

If a Board candidate is unwilling to sign this document, they must send a statement to the Board explaining their objection. If the Board determines that the reason does not violate the Traditions and is not otherwise objectionable, said statement will be published on the website Repository. This will allow the Fellowship to view such statement and ask questions prior to their election to the Board.

I. Categories of Trustees

There are two categories of Trustees:

1. At Large – from the general fellowship, with not more than two from a single geographic region
2. Regional (see Section III-L below)

Note: It is suggested that, when possible, there be at least two Trustees who reside outside of North America, whether they are At Large or Regional Trustees.

J. Board Nominating Committee

The Nominating Committee was established in December 2017 (see Appendix IV; note that the language in this section of the OPPM supersedes said Appendix if there are any discrepancies.)

1. Purpose - to identify and vet (review the credentials of) ACA members who are interested in serving as Board members.
2. Goals - committee goals are:
 - a. To represent the fellowship's broad values by making the nomination and vetting process fair and transparent.
 - b. To present candidates to the Board who can capably carry out the WSO's business and service needs.
 - c. Remain aware of the benefits of having a board from diverse backgrounds.

One Board member will serve as a non-voting liaison to the committee.

In addition to the qualifications for committee membership listed in Appendix IV, the requirement to have attended six of the previous 12 Board TCs is waived for past WSO Board members who served a minimum of two years on the Board.

K. Qualifications for Board Membership

The following are the desired qualifications that Board candidates should meet before being

OPPM (Operating Policy and Procedures Manual)

considered for the position of Trustee. This applies to both At Large and Regional candidates:

1. Continuous attendance at ACA meetings for at least the previous five years.
2. One year or more of combined service to an ACA intergroup, region or WSO committee, with at least six months of active participation on a WSO Committee.
3. Attendance on at least six WSO monthly Board teleconference calls within the previous 12 months.
4. Working knowledge of ACA's Steps, Traditions and Concepts of Service.
5. WSO Trustees may not hold a similar position in another 12-Step Fellowship.
6. Demonstrated skill at working in a group setting and completing projects.
7. Ability to donate substantial time that minimally includes the following:
 - 7.1. Attend at least 3 Board meetings per month.
 - 7.2. Become a working member of at least one standing committee.
 - 7.3. Attend the yearly ABC and AWC.
 - 7.4. Attend the Board's annual Strategic Planning meeting/training retreats.
 - 7.5. Maintain communication with other Trustees as necessary to complete commitments (via email, telephone, and other web-based communication platforms)
 - 7.6. Fulfill any additional commitments of Board membership as deemed necessary.
8. Willingness to sign both the Commitment to Service and the Board's Conflict of Interest Statement.

Note: The Nominating Committee can ask the Board to consider exceptions to these desired qualifications. Such a request, and the reason for the exception, will be submitted in writing to the Board.

L. Regional Trustees

The Service Structure Committee has begun creating Region maps (See Appendix II).

A Regional Trustee can be elected to the board when a vacancy is available and the candidate has been properly presented to the Nominating Committee for consideration.

It is recognized that a Regional Trustee is essentially serving two groups simultaneously, i.e., ACA WSO and their Region. While it should be self-evident about the differences in these roles, the following general guidance is offered to help avoid confusion.

1. When doing general Board work and committee work, which includes attending WSO Board meetings, the Regional Trustee is serving the entire ACA Fellowship rather than one geographical region. This Trustee is, therefore, directly responsible to the entire ACA Fellowship.
2. The Regional Trustee will represent both the minority and majority concerns of those in their Region to the Board. When they become a Board member, it is understood that their Region accepts on faith that they may have information available to them that perhaps the Region does not have nor will be given, and therefore the Regional Trustee is expected to act in service to ACA WSO to the best of their ability.

M. Board Norms of Conduct

Norms of Conduct were created to help encourage respect and civility in WSO interactions. See

OPPM (Operating Policy and Procedures Manual)

Appendix XI. (Motion 2019-0112-07 and Motion 2020-0813)

N. Impeachment/Removal, Resignation, Vacancy

1. Impeachment/Removal

In keeping with the Commitment to Service, any Trustee, whether At Large or Regional, may be removed by request or cause. Tradition violations, working outside the boundaries of the Policies and Procedures as set forth in this document or that have become common practice before being added to this document, abuse of fiscal responsibility, or other action seen as adverse to the operation of the Board or in service to the Fellowship, as determined by the majority of the members of the body (the Board or ABC) will serve as just cause.

A Trustee who shall be absent from three (3) consecutive regular monthly meetings of the Board, without notice to the Board, shall automatically be removed from the Board unless such absences are due to emergency situations for which the Board declares exceptions

Absence by a Trustee from four (4) out of 12 monthly meetings is cause for concern and the Trustee will be put on notice.

The Board may declare a Trustee's office vacant who has been declared of unsound mind by a final order of a court, conviction of a felony, or been found by a final order or judgment of any court to have breached any duty under Section 5230 and following the California Nonprofit Public Benefit Corporation Law.

Action for removal may be taken up at any Board meeting in keeping with meeting requirements.

If a Regional Trustee is removed from or wishes to leave the Board, the Region they represent will be notified as soon as possible. In such cases, only a non-confidential reason for termination will be included in any documentation and thus stated in the notification to the Region. Upon request, the Board will have a confidential call with the Region's officers to communicate anything that should not be released as public information.

The Region may then present a suitable replacement to the Nominating Committee.

2. Resignations

Any Trustee may resign, either effective immediately or effective at a later specified time, upon giving written notice to either the Executive Committee, or the full Board. However, no Trustee may resign if the corporation would then be left without a duly elected Trustee or Trustees in charge of its affairs, except upon notice to the Attorney General of the State of California.

3. Vacancy

If this Corporation has vacancies on the Board created by the removal or resignation of a Trustee, such a Vacancy may be filled through the nomination process.

IV. ACA WSO BOARD OFFICERS

A. General

OPPM (Operating Policy and Procedures Manual)

Board members shall select from amongst themselves the persons to perform the duties of the officers to meet the lawful requirements of the State of California and comply with customary corporation terminology. The officers of this corporation shall be: Chairperson, Vice Chairperson, Secretary, and Treasurer. There must be at least three Officers in place at all times, per California code.

A Trustee may hold more than one office if temporary circumstances require such. However, the same person may not serve as both the Chairperson and the Secretary or Treasurer (Bylaw IV.7).

Even though certain outside entities require WSO to execute legal documents that may refer to the Chairperson as President or Chief Executive Officer (CEO) or to the Treasurer as Chief Financial Officer (CFO), such terminology may not be used within our fellowship when describing those roles.

Officer titles shall not be used by such officers except in the conduct of ACA WSO business.

Officers shall hold office until the end of the stated term, when he or she resigns, is removed, or is otherwise disqualified to serve. The mere fact that a Board member's term may not coincide with the full term of an officer election cycle should not preclude that Board member from being eligible to serve as long as they are able to serve at least one year in that office.

B. Elections

Elections of officers are to be held between November and January. Newly elected officers will be officially seated at the ABC in April.

Incumbent officers who will not be continuing in their current role will use the time between the election to the ABC to transition their responsibilities to their successor.

The Board Chair is responsible for ensuring that elections are conducted appropriately but must delegate the responsibility for any office that he or she is running for. (Note: an Appendix will be added with the official election process after it is approved by the Board.)

C. Term of Service

The term of office for an officer shall be two (2) years (Bylaw IV.9); an officer may be reelected at the completion of the first term, but no one may serve more than two (2) terms in the same office.

D. Impeachment and/or Removal

Any officer may be removed with cause by the Board at any time. Cause may be any fraudulent activity affecting ACA WSO or lack of fulfillment of duties of a Trustee.

E. Resignation of Officers

An officer may resign from their office at any time by giving written notice to the Board or to the Chairperson or Secretary of the corporation. This does not mean a resignation from the Board.

F. Replacement of Officers

In the event of a vacancy in any office other than that of Chairperson, such vacancy should be filled

OPPM (Operating Policy and Procedures Manual)

temporarily by appointment by the Chairperson until such time as the Board shall fill the vacancy. As long as there are three sitting Officers, the Board has the discretion to not fill an officer vacancy if circumstances dictate, such as the proximity of the vacancy to the next election of officers.

Any replacement Officer elected by the Board will be responsible to serve only the remainder of the term of office to which they are elected.

If a replacement Officer serves less than a year of someone else's term, they are then eligible to run for two full terms of their own. If they serve more than a year as a replacement, they may only run for one additional term.

V. DUTIES OF OFFICERS

A. Chairperson

The Chairperson (Chair) shall be the chief executive officer of the corporation and shall, subject to the guiding principles of this organization, supervise and guide the affairs of the corporation and the activities of the officers.

Other specific duties are as follows:

1. Perform all duties generally attributable by law and custom to such office as may be required by the laws of the State of California, by the Articles of Incorporation and ByLaws of this corporation, or duties which may also be prescribed by the Board.
2. Preside at all meetings of the Board. If the Chair is unable to attend, the Vice-Chair shall preside. If the Chair and Vice-Chair are unable to preside, the remaining Trustees will select which Trustee in attendance will chair the meeting.
3. Execute all legal documents in the name of the corporation, including contracts and other instruments that may be authorized by the Board, except as otherwise expressly provided by law, the Articles of Incorporation, or the Bylaws.

B. Vice Chairperson

In the absence of the Chair or in the event the Chair is unable to act or refuses to act, the Vice Chairperson (Vice Chair) shall perform all duties of the Chair and, when doing so, shall have all the powers of and be subject to, all the restrictions placed on the Chair. The Vice Chair shall have other powers and perform such other duties as may be prescribed by law, the Articles of Incorporation, the Bylaws or which may be authorized by the Board.

C. Secretary

The Secretary shall perform all duties incident to the Office of Secretary and such other duties as may be required by law, the Articles of Incorporation, the Bylaws, or the Board.

These duties shall include the following:

1. Certify and keep at the principal office and/or on the website, the original, or a copy of the Bylaws, including official amendments to same.
2. Maintain a historical book of minutes of all meetings of the Trustees that comprises all prior action and policies of the Board annually. All minutes are to be completed prior to the ABC. Each meeting's minutes should record the time and place of the meeting, type of meeting, how

OPPM (Operating Policy and Procedures Manual)

notice was given, the names of those present or represented, and the proceedings thereof. The minutes must include the ACA logo and the full name of the corporation.

3. Maintain a complete historical record of all approved Motions, to be kept at the principal office and/or on the website.
4. Ensure that all notices are duly given in accordance with the Bylaws or as required by law; be the custodian of the records and of the Seal of the Corporation and see that the Seal is affixed to all duly executed documents, the execution of which, on behalf of the corporation under its Seal, is authorized by law or by the bylaws. If the Secretary is not located at the principal office, the Secretary can direct the custodial actions be handled by the designated Special Worker.
5. Maintain a historical record of Board members at the principal office and/or on the private area of the website Repository. This record should contain the names and addresses of Board members, their terms of service, offices held, and in the case where any Board member resigns mid-term or is asked to leave the Board, record such fact together with the date on which such membership ceased. For all current Board members, this record should also include emergency contact information.
6. Upon request, exhibit at all reasonable times to any Trustee of the Corporation, or to his or her agent or attorney, the Bylaws, the list of Board members, and the minutes of the proceedings of the Trustees.
7. Present the minutes from Board meetings for approval at the following meeting, whether it is a monthly TC or another meeting of the Board. Board members should present amendments to the minutes to the Secretary prior to the meeting.
8. Maintain an updated Book of Motions. When a policy motion has been passed, ensure that the OPPM Committee is notified to incorporate it into this document (OPPM).
9. Ensure that all Board members, Employees, Committee and Sub-Committee Chairs/Co-Chairs and Vice-Chairs sign a copy of the Conflict of Interest Statement (See Appendix VIII) by the end of April each year. Also ensure that key members of the ABC/AWC Host Committee sign the same document as soon as possible after the Host city is selected, and as new key people are added to the Committees. This should especially include anyone in a position of making recommendations and decisions about venue and vendor choices.

D. Treasurer

The Treasurer shall perform such duties as may be required by law, the Articles of Incorporation, the Bylaws or the Board, and have custody of and be primarily responsible for the management of all funds and securities of the corporation, depositing all such funds in the name of the corporation in such banks, trust companies, or other depositories as shall be selected by the Board.

Specific responsibilities shall include the following:

1. Ensure that receipts are given for all monies due and payable to the corporation from any source.
2. Disburse, or cause to be disbursed, the funds of the corporation as may be directed by the Board, ensuring that there is a proper protocol in place for such disbursements.
3. Cause to be prepared and published monthly and annual financial statements that account for the corporation's properties and business transactions, including assets, liabilities, receipts, disbursements, gains and losses.
4. The Treasurer shall exhibit at all reasonable times the books of account and financial records to any Trustee of the corporation, or to his or her agent or attorney, on request.

OPPM (Operating Policy and Procedures Manual)

5. Render to the Board or individual Trustees, whenever requested, an account of any or all transactions as Treasurer and of the financial condition of the corporation.
6. Prepare, or cause to be prepared, and certify or cause to be certified, monthly and annual financial statements to be otherwise provided in the bylaws.
7. Present, or cause to be presented, all financial information for audit upon official request of the Board.
8. Provide a listing of the contributions to ACAWSO from the ACA fellowship, whether by group or individuals, for publication monthly on the WSO website and annually for inclusion in the ABC Delegate Binder. At no time will the names of individual contributors be divulged.
9. Keep all Board members informed, at least monthly, of the financial position of the corporation, and annually provide a copy of Form 990 for the Board to review and ask questions before it is filed.

VI. ACA WSO FISCAL POLICIES

A. General

The Fiscal Year for ACA WSO is January 1 to December 31 as set by Article Seven (VII) of the Bylaws.

Note: All money references in this document refer to U.S. Dollars. Also, groups are defined as meetings, Intergroups and Regions.

A. 7th Tradition Contributions

ACA WSO shall request contributions from ACA groups and members for the purpose of helping to maintain WSO operations and service activities. Guidelines for such are as follows:

1. WSO may only accept contributions from ACA groups and members.
2. The maximum annual contribution by an ACA member cannot exceed \$7,500.
3. The maximum bequest in a will or other instrument that WSO can accept is \$7,500.
4. There is no maximum annual contribution limit from ACA groups.

As noted in Section V of this document, the Treasurer is responsible for ensuring that contributions are listed monthly on the website and annually in a report to the ABC Delegates.

B. Signatory

The Treasurer is the official signatory on all WSO accounts. An additional Board member shall be authorized by the Board to be listed on WSO accounts as a back-up signatory. When possible, this should be a Board Officer.

C. Expenditure Approvals

The Board establishes guidelines for the expenditure of funds, and management of such expenditures to ensure the appropriateness of expenses. The Treasurer ensures that the appropriate level of approval is attained before expenditures are made.

Any expenditure in excess of \$2,000 for the purchase of a single item or service should have bids from three (3) suppliers, if possible. Acceptance of the lowest bid is not necessarily required. These bids will be reviewed and specifically approved in advance by the Board of Trustees. Long term contracts such as those for recurring printing orders, office rent, etc., are excluded from this

OPPM (Operating Policy and Procedures Manual)

requirement.

All potential expenditures must be approved via motion of the Full Board, except as noted below:

1. Reorders of inventory for resale only require Executive Committee approval when the quantity does not exceed 10% of any previous order. The Board Vice Chairperson is responsible for reporting such purchases during the monthly Teleconference.
2. The Executive Committee is authorized to approve non-recurring expenditures of up to \$1,000 that are in addition to anything already specifically budgeted for.
3. Committees with annual budgets are authorized to spend those funds as needed within the bounds of the committee's work. For other than routine, recurring expenses, sub-committees must get sign-off from the Primary Committee Chair, e.g., the MPS Chair signs off on H&I non-routine expenditures. Appropriate paperwork must be completed and submitted to the Treasurer or designate as soon as possible.
4. The General Manager is authorized to approve routine operating expenditures for the Distribution Center of up to \$750 per month. In the GMs absence, the Treasurer is authorized to approve same."
5. The Distribution Center Oversight Committee (DCOC) is authorized to approve non-routine expenditures of up to \$500 as well as inventory movement costs for up to \$1,000. An account of such expenditures over \$250 must be made at the Board's monthly teleconference.

D. Reimbursement

Expenses incurred by Trustees, Special Workers, and authorized volunteers are reimbursable if they are deemed to be directly related to carrying out the business of the WSO. (See Appendix IX - Travel Reimbursement Policy.)

To receive reimbursement for an appropriate expense, the currently authorized expense form must be submitted to the Treasurer, or designate, with an original or copy of verification of the expense. The Treasurer, or designate, will review the documentation for completeness and direct the disbursement of funds. The Board Chair approves reimbursements for the Treasurer.

Reimbursement requests should be submitted within 30 days of the expenditure. If the expense report is not received within 30 days, then minimally estimated expenses must be submitted with the full expense report turned in within the following 30 days. Any expense reports not received within 60 days of the expense will be forwarded to the Executive Board for approval.

Reimbursement should be received by the submitting person within a maximum of 30 days.

E. Records/Reports

The Treasurer is responsible for ensuring that all financial reports are prepared monthly and/or annually, as noted in Section V.

F. Committee Budgets and Reimbursement

Each committee and sub-committee of the Board of WSO will be asked to present annual budgetary requirements to the Finance Committee to cover the following fiscal year. Standing and Ad Hoc Committees are entitled to at least a \$600 annual budget. If a larger budget is required, it must be documented and approved by the Board, either separately or as part of the overall approval of the

OPPM (Operating Policy and Procedures Manual)

Annual Budget.

Any proposed expenses over budget must be approved according to the Expenditure Approvals Section above.

Unused funds are not carried over to the next fiscal year.

G. Accounting Policies

All purchases of Fixed Assets or Intangible Assets made by the WSO under \$1,000 will be expensed rather than capitalized and depreciated or amortized. This is effective as of 1-1-17.

VII. PLACING ISSUES BEFORE THE BOARD

Issues can be brought before the Board in various ways.

1. By contacting a member of the Board.
2. Through a Committee of the Board.
3. During the Guest commentary portion of the Board's monthly Teleconference.
4. By submission of a proposal for the Annual Business Conference.
5. By exercising the Right to Petition, which Groups may use to request that the Board reconsider any issue(s) previously considered. (See Appendix I)

VIII. BOARD MEETINGS

A. Notice

All Trustees must ensure that the Secretary of the corporation has current contact information at all times, i.e. address, phone, email and an emergency contact.

All Trustees are made aware of the schedule of Board meetings when they join the Board, and are personally responsible for following that schedule. The Board Secretary is responsible for informing Trustees of changes to the schedule.

In the case of any Special Meetings of the Board, Trustees will agree upon a specified time and date. All efforts will be made to ensure that as many Trustees as possible are able to attend.

B. Types of Board Meetings and Schedule

The Board holds the following types of meetings:

1. **Monthly Public Teleconferences:** held on a teleconference line on the second Saturday of each month at 2 P.M. Eastern Time (North America), unless special circumstances dictate otherwise. In that event, the teleconference shall be held at the day and hour designated by the Board. The Board Secretary will be responsible for having a prominent notice placed on the website.

Teleconference dial-in information is posted on the website. This type of meeting is intentionally public and is held for the purpose of helping to maintain transparency of operations. Because they are Board meetings, during the formal agenda portion, the only participants are Board members and those invited by the Board to contribute, such as committee members. At the conclusion of the formal agenda, guests are invited to make comments and ask questions.

2. **Non-Public Teleconferences:** The Board may hold other, less formal Board meetings at any time for the purpose of conducting corporate business. All Board members must be informed of

OPPM (Operating Policy and Procedures Manual)

such meetings in a timely manner. They may only be held if a quorum of Board members is available. Minutes are to be taken, and any motions made and passed during such meetings are to be read into the record during the Monthly Teleconference. Such motions must indicate the date of the meeting, those present, and the voting results.

3. **Emergency Executive Committee Meetings:** In such case as may be necessary for the purpose of conducting corporate business, the officers may call an emergency meeting to handle a critical item of business and inform the rest of the Board immediately of any action taken.
4. **Strategic Planning Meetings:** At least once per year the Board will meet for a face-to-face Strategic Planning Meeting. It is recommended that an additional such meeting be held after the ABC if logistically possible. All efforts should be made to ensure that such meetings are held at a time when every Board member is able to attend.
5. **Confidential Board Meetings:** When a matter is considered extremely sensitive in nature, the Board may elect to have confidential meetings which will not be recorded nor will minutes be required to be published. These meetings are only held with at least a quorum of the Board present, and are sometimes referred to as Executive Sessions. Examples of such are sensitive personnel matters or discussions about items that may have legal ramifications

C. Monthly Teleconference Agenda

When possible, motions to be considered during the Monthly Teleconference should be sent to the Secretary seven (7) days prior to the meeting for inclusion on the published agenda. If the issue is determined by the Executive Committee or the Board to need clarification, Committee review, or submission to a Committee for comment before action can be taken, the item may be deferred until a later time.

The agenda is to be posted on the website at least three days before the meeting.

New items of business, including motions, may be added to the Agenda by Board members and with Board agreement during the Teleconference.

D. Board Meeting Protocol

Decisions are made by the group conscience of those Board members present at any meeting where a quorum is present.

A consensus must be reached in order for a motion to be passed. If a Board member expresses a concern and wishes to block a motion, also known as a blocking concern, the motion must be discussed. If the Board member who raised the blocking concern does not agree to the motion after discussion or if the motion is not rescinded by the proposer of the motion after discussion, a roll call vote will be taken.

Robert's Rules of Order will be used as a guide whenever a procedural issue occurs that is not covered by the Bylaws, the Traditions or this document.

A parliamentarian may be appointed by the Board to assist the Chairperson.

E. Quorum

A quorum of the Board is necessary for any regular motions to be considered and voted on by the

OPPM (Operating Policy and Procedures Manual)

Board.

A quorum is defined as follows:

1. For a regular Board meeting, quorum is a simple majority - fifty percent (50%) plus one, e.g., with ten Board members, a quorum is six (6), i.e., one-half (5) plus one.
2. For a change in any ByLaw, quorum is 75%. (See sub-section I regarding ByLaws changes.)
3. For an emergency Executive Committee meeting, quorum is at least three of the currently serving officers of the Board.

Any meeting held at which a quorum is not present may still be held for the purpose of providing Committee updates, and in the case of the Monthly Teleconference, providing time for guest questions and comments. However, the only motion that the Chair may entertain at such a meeting is a motion to adjourn.

Once a quorum is established, if one or more Board members will have to leave the call, thereby losing quorum, motions should be entertained first in the agenda.

Once quorum no longer exists, motions may not be discussed.

If no more than one-third of the Board members are present, the meeting may be adjourned and an official notice/record shall be placed on the website citing the reason for the adjournment.

F. Board Motions

The Board may pass motions at any time for the sake of efficiently conducting the business of ACA WSO.

To maintain transparency for the fellowship, all motions passed by the Board must become part of the official record of a public meeting, whether that is a Monthly Board Teleconference or the Board meeting that immediately follows an ABC.

Motions passed by the Board can emanate from a Board member or a Committee.

When Committees recommend motions, the Board decides if it will entertain the motion. If so, the official motion will be considered as sponsored by that committee.

1. Urgent motions passed outside of a Board meeting:
 - a. The Presenter of the motion must ensure that all Board members vote on the motion.
 - b. No matter what online media is used to consider the motion, the Presenter must email the motion, final vote, and significant discussion to the full Board.
 - c. The Board Secretary will ensure the motion is on the agenda to be read into the record at the next Monthly Teleconference
 - d. The first person who concurs with such a motion is considered to be the one who seconded the motion.
2. Motions passed during a non-public Board Meeting:
 - a. These are new motions that have not previously been voted on and enacted.
 - b. The results of such motions are read into the record at the next Monthly Teleconference.

OPPM (Operating Policy and Procedures Manual)

- c. Any discussion cited with the motion should be brief and include only motion-specific language.
3. Recalling or amending previously passed motions:
 - a. If a motion has been passed but has not been acted upon, a new motion must be created to recall the original motion. Both motions will then reference each other in the Book of Motions.
 - b. If a previously passed motion is to be amended, a new motion must be made and both motions notated.

G. Voting

When the proper quorum or majority is present, every act or decision made by a majority of the trustees present at a meeting duly held is the act of the Board.

The minority voice is important and ought to be recognized at all times. Yet once an issue has been decided, it is expected that all Board members will accept the decision and go forward in compliance with it.

1. Absentee Voting

A Board member who will be absent from a Board meeting due to mitigating circumstances or compelling limitations acknowledged and approved by a majority of the full Board, will be allowed to vote by absentee ballot. Such Board members will inform the Board Secretary by email of their vote on agenda motions.

However, if such motion is substantially modified during the meeting, the absentee vote will be noted for the original motion but will not be viable for a substantially modified motion. If there is a difference of opinion among Board members about what constitutes a substantial modification on a motion and a quorum vote cannot be reached, the motion will be held over.

2. Substantial Unanimity

When substantial unanimity is required, agreement of 75% of the members of the full Board is needed.

H. Board Agreements – Group Consensus

The Board sometimes addresses issues that only require agreement rather than a formal motion. In such cases, a group consensus is sufficient, e.g., asking the Board for permission to get bids on a project.

IX. EXECUTIVE COMMITTEE

A. Members

The Executive Committee shall consist of the four Corporate Officers: Chairperson, Vice Chairperson, Secretary, and Treasurer.

B. Powers and Authority

The Board shall delegate to the Executive Committee any of the powers and authority of the Board in the management of business and affairs of the corporation, except said committee may not:

1. Approve of any action, which, under law or WSO Corporate ByLaws, requires the approval of the proper majority of the full Board.

OPPM (Operating Policy and Procedures Manual)

2. Fill vacancies on the Board.
3. Amend or repeal existing ByLaws or adopt new ByLaws.
4. Amend or repeal a resolution of the Board.
5. Create committees of the Board.
6. Approve a transaction to which this Corporation is a party and in which one or more of the Trustees has a material financial interest.

By majority vote of its members, the Board may at any time revoke or modify any or all of the authority so delegated to this Committee.

This Committee shall keep minutes of its proceedings and actions that must be posted in the website Repository, and report the same at the next regular Board teleconference meeting.

This Committee shall be responsible for ensuring that all other committees of the Board are complying with their responsibilities.

X. COMMITTEES

A. General

WSO committees are composed of ACA members, including Trustees, as well as an occasional non-ACA member, such as a WSO Special Worker or a subject matter expert.

All committees are referred to as Committees of the Board. The term “committee” in this section refers to the primary committee and any sub-committees or other groups associated with the committee.

There are two general types of committees: Standing and Ad Hoc.

1. Standing Committees: permanent committees that meet regularly throughout the year.
2. Ad Hoc Committees: temporary committees that meet regularly until their defined purpose is accomplished.

The purpose of WSO committees is to respond to the needs of the fellowship within specific areas of service and help carry the message.

Committees are created or disbanded by appropriate motions of the Board and/or the ABC.

Committees shall attempt to have a varied membership, including geographically, where possible, so that all members of the fellowship have an opportunity to grow through giving service.

Meetings and actions of committees shall be governed by the same policies and procedures that apply to meetings of the Board (see Section VIII of this document). Committees should establish regular meeting schedules and publish them for the benefit of their committee members, the Board and the fellowship.

A Mission Statement must be written and submitted to the Board for approval at the committee’s inception, or as soon thereafter as possible. Changes to Mission Statements must be approved by the Board.

OPPM (Operating Policy and Procedures Manual)

B. Board Oversight

There should be a Board member associated with each committee, and by association, its sub-committees. This should be the case whether the Board member is an actual committee member or is a liaison between the committee and the Board.

Board members thus associated with a committee are charged with ensuring that committee members understand the purpose of the committee, its powers, its responsibility to the fellowship, and its reporting responsibility to the Board.

Individual Board members, because of their fiduciary obligation to WSO, and at their own discretion, may attend any committee's meeting they are not directly associated with. Before doing so, they should give prior notice to the committee chair.

If a Committee or its associated groups have an online communication channel, Board members who are not part of the group are asked to only be observers and not participate in online conversations. Instead, if they have a question or comment, they are asked to send it to the committee chair or an associated Board member. Committee chairs are expected to be involved with any of their sub-committees and associated groups.

C. Committee Leadership

The Board is responsible for appointing/approving committee chairs/co-chairs, as well as vice chairs in between ABCs, taking into consideration input from the active committee members. All such appointments are then subject to ratification by the ABC delegates at the end of each committee's annual report.

Committees are highly encouraged to have vice chairs.

In the event of the resignation of a committee chair, the vice chair is eligible to assume that role, if they are willing. This must be done with the approval of the committee itself and the Board or the ABC. If there is no vice chair, the committee and the Board will work together to find a new chair. If the committee has co-chairs, the remaining co-chair will assume full chair responsibilities.

Unless otherwise noted in this OPPM for a specific committee, it is recommended that committee chairs and co-chairs serve for terms of two years, after which they may be reappointed to another term. In the interest of rotation of service, it is suggested that a chair or co-chair not service more than two consecutive terms in that role for the same committee.

D. Committee Membership and Operations

While following the guidelines of the OPPM, the Traditions and the Concepts of Service, committees may generally choose how they operate. This includes the level of participation required by committee members (especially if the committee is deadline driven), the number of members they can reasonably accommodate, and the number of meetings a member may miss because of the nature of the committee's work.

To help members stay informed, and new members to get acclimated, committees are required to produce reports, as noted below, and should provide a communication channel for committee work. They are also encouraged to have a general communication channel for prospective members to

OPPM (Operating Policy and Procedures Manual)

learn about their work.

E. Responsibility/Accountability

Committees are accountable to the fellowship, through the governance of the Board. Any actions they wish to take that propose to establish new policy or impact the fellowship as a whole must be approved by the Board.

Committees are held fiscally responsible and are funded by ACA WSO according to their needs.

The committee chair is responsible for ensuring that the committee fulfills its reporting obligations per the section below.

F. Reports and Notifications

The business and progress of each committee shall be explained within its reports. Committees are responsible for submitting and/or maintaining three types of written communication: monthly reports, annual reports and meeting minutes.

1. Monthly: a written report of the committee's activities is submitted to the website committee for posting to the website at least 3 days prior to the Board's monthly teleconference.
2. Annual: a report of each committee's activities that covers the past fiscal year (January 1 through December 31) with an addendum to cover significant actions of the committee after the first of the year and prior to the writing of the report. This report must be submitted to the ABC Committee Chair, or designated alternate, within the timeframe required.
3. Reports or Minutes: committees are required to produce reports or minutes of their meetings that minimally document actions taken. If recordings are made of committee meetings, such recordings should be deleted within six months after minutes have been produced and approved by the committee. Reports or minutes should minimally include those present, agenda items that were discussed and decisions made.

Some committees may be required or choose to send special notices to all fellowship groups. Such notices must have the approval of at least two Board members ahead of time, one of whom is not associated directly with that committee.

Committees should maintain an annual calendar that lists meeting dates, times and call-in information. This may be done as part of any global calendar that is posted on a WSO website and/or as part of that committee's section on acawso.org.

G. Proposals/Motions

Any Board member on a committee or who serves as the liaison is responsible for presenting recommendations/motions that require Board approval. When possible, motions should be presented to the Board Secretary at least five days prior to the teleconference in order to be placed on the agenda.

H. Correspondence

Committee Chairs and/or members who have received and answered paper correspondence from the fellowship will forward a copy of all such correspondence to the office for filing.

OPPM (Operating Policy and Procedures Manual)

Committee members should use WSO provided email accounts in order to document all correspondence, including communication with the fellowship at large.

Any correspondence intended for distribution to the fellowship by a committee must be consistent with ACA WSO policies, procedures, and Traditions. Board members associated with committees are directly responsible for this consistency.

I. Professional Advisory Committee

ACA WSO may have Professional Advisory Committees composed of persons who have a particular expertise that the Board and/or Fellowship require from time to time.

The function of such a committee would be to furnish professional counsel and guidance to the ACA WSO in the development of sound policies and the conduct of activities on the highest possible level. Such committee members will be evaluated based on their qualifications and ability to serve.

Advisory committees shall act only in advisory capacities to the Board and shall be clearly titled as "advisory" committees.

XI. ACA WSO OFFICE

A. General

A priority of the ACA WSO Board is to provide an accessible office that offers recovery information of the ACA Twelve Step Program to everyone.

WSO employs special workers (Staff) who provide a number of services, including, but not limited to the following:

1. Answering phone and mail inquiries.
2. Providing information for those seeking recovery through attendance at ACA meetings.
3. Facilitating the sale and distribution of merchandise and WSO conference-approved literature.
4. Distributing information to the therapeutic community and the public.
5. Maintaining the list of ACA meetings, Intergroups and other service levels.
6. Maintaining files for financial records, contracts and other legal documentation, original copies of WSO literature files, archival information about the fellowship and other important correspondence.
7. Ensuring that the proper flow of information happens among appropriate Board members, committees, Staff and vendors.

The office will be in charge of assuring that all computer records are properly backed up in case of data failure.

B. Group Registrations

All ACA Twelve-Step, Twelve-Tradition affiliated Meetings, Intergroups, and Regions (Groups) are eligible to register with ACA WSO. (Bylaw III 2.) Additional layers of the ACA WSO Service Structure are included as they are created.

Groups shall register online and must include the following information:

1. Group name

OPPM (Operating Policy and Procedures Manual)

2. Location
3. Time and day of meeting
4. Public contact information to be published with the meeting listing
5. Primary contact information, including an email address; this information will be kept confidential by WSO and used solely for the purpose of communicating with the group

Providing this information and a group's subsequent listing on the WSO website indicates their agreement to abide by the ACA 12 Traditions.

All groups are encouraged to update their information at least annually on the WSO website to ensure receipt of information sent from WSO, including the ABC Ballot and ABC Registration, as well as other announcements that may be sent out from time to time.

The use of the ACA trademark, as shown on the cover of this document, shall be limited to only those groups registered with ACA WSO for the purpose of identification for meeting listings, names, notifications, locations, etc.¹

C. Correspondence

Board members and Committees may send form letters or similar communication to the Staff to be mailed to the Fellowship. After the Staff has formatted the material, it should be returned to the Board member or Committee for review before being sent out.

All such material will carry the ACA WSO logo.

D. Document Retention

(To be added)

E. Oversight Committee

The purpose of the Oversight Committee is to maintain contact with the office management to ensure that all operations are running smoothly, that policies are being followed, and that the Staff has the resources they need to do their jobs.

This committee shall be made up of Board members and volunteers with specific business and technology expertise. This committee should include at least one member of the Board's Executive Committee.

F. Office and/or Distribution Center Closure

Should funds not be available to maintain a physical office and/or Distribution Center, the Oversight Committee shall

1. Present to the Board a structure for continuing the outreach efforts of ACA.
2. Present a plan of how to close down the Office and/or Distribution Center.

Once these items are approved, under the direction of the Executive Committee, the Oversight Committee shall do one or all of the following things, depending on the situation:

¹ Clarification of Trademark and Logo guidelines is under revision for legal conformity.

OPPM (Operating Policy and Procedures Manual)

1. Lay off any paid staff with a letter of recommendation.
2. Place all records in storage at a place determined by the Board.
3. Set up systems for answering phones, handling mail, maintaining the website and meeting database updates.
4. Dispose of all excess equipment with an accounting of items and monies received.
5. Create any procedures necessary to maintain whatever services that will continue to be offered.

Should the above plan be unworkable due to lack of funds, or trustees, the remaining Officers and Trustees shall dissolve the corporation in keeping with Bylaw Article XII for dissolution of ACA WSO.

Any actions taken should meet the criteria set by the IRS in keeping with WSO's not for profit status.

A letter describing the above actions will be mailed to all affiliated Groups.

XII. ACA WSO LITERATURE

A. ACA WSO Literature Policy

ACA WSO has an open literature policy. This means that ACA groups have the right to use non-conference approved literature, conditional upon their group conscience and that various other considerations are taken into account, e.g., that the ACA 12 Traditions are used as their guideline, etc.

WSO conference-approved literature should be easily understood and give individuals practical help in grasping and working the ACA program. ACA literature should support emotional sobriety, self-love, and gentle reparenting.

All ACA conference-approved literature carries the ACA logo and copyright. ACA literature may not be copied, reproduced, or redistributed, except as permitted in sub-section I below.

B. Literature Development

Additional explanation of the WSO literature development process, including a submission address, is available on the WSO website.

Generally, ACA literature is any book, trifold, booklet, or other format (including ebooks and audio books) that communicates information relevant to ACA recovery and can be individually purchased or downloaded.

Any ACA member or group is invited to submit proposals at any time to create or revise ACA literature. Proposals also may come from the WSO Board and Literature Committee itself. Development, evaluation, design and publication of new literature can take years to complete. Evaluation also involves a wide range of ACA members and viewpoints. In proposing new ACA literature, an author should be motivated by service, and surrender any notion of personal ownership.

C. Submitting Literature Proposals

Except for trifolds, which can be submitted in their entirety, initial proposals for new literature

OPPM (Operating Policy and Procedures Manual)

should be brief and should not include a full manuscript. For textbooks or workbooks, an outline and a maximum of 1-2 chapters is encouraged. A cover note, with contact information, should answer these questions:

1. How is the proposal different from existing ACA literature?
2. What fellowship recovery need does the proposal address? And is there any specific audience that the literature is intended to reach?
3. Is it best described as a tri-fold, a small booklet, a textbook/workbook, a workshop guide, or something else?
4. Who is the author or team of authors?

When an individual or group submits a piece of literature to WSO, they must sign a release form that gives WSO the right to make changes and/or include it in a larger publication. Where space permits, the originating group or individual will be given credit in an acknowledgement section.

D. Evaluating Literature Proposals

Proposals are placed in a queue, which is periodically updated, and evaluation priorities are determined based on perceived benefit to ACA's broad global fellowship. This includes budget considerations and whether the needs of non-English-speaking ACAs are being met.

- 1. Fellowship Submissions:** The Literature Committee, aided by the Literature Evaluation subcommittee, will evaluate submissions and determine their viability for Board consideration. Evaluators may communicate directly with the authors to ask questions and propose suggested revisions and publication strategies. An item also may be placed in the Best Practices section of the ACA website so that the fellowship may have an opportunity to experiment with proposed literature and give feedback.
- 2. Internal Development:** The Literature Committee may add a literature piece to the queue based on feedback from the fellowship. The Literature Committee will assign an author, and consult with the evaluation subcommittee during development.

E. Literature Evaluation and Approval

1. General

Regardless of whether a proposal is submitted directly to the Literature Committee, approved as an ABC motion or ballot measure, or developed internally by ACA WSO, all Literature projects must go through the same evaluation and approval process before they may be considered Conference-approved literature. This process includes a documented, in-depth fellowship review (fellowship review mode) period, and revision process overseen by the Literature Committee.

- a. Projects submitted to the Literature Committee will be assessed by the Literature Evaluation subcommittee, in accordance with criteria posted on the ACA WSO literature pages. Authors will be notified whether a project is considered suitable for publication. Under the Right of Petition, they may ask the Literature Committee for further consideration.
- b. A favorable ABC vote on a new proposal, such as one submitted through a ballot measure, is an approval of the concept, not approval of the literature. Such a vote directs the Literature Committee to form a development team, to move the project to possible publication and eventual Conference approval. The development team would include the author(s) or backers of the ballot measure if they choose to participate.

OPPM (Operating Policy and Procedures Manual)

- c. If the Board of Trustees determines that a project referred by the ABC is not appropriate for publication, the Literature Committee will notify the project's proposers and report this to the next ABC. ABC Delegates may accept the Board of Trustees' decision or direct ACA WSO to continue development of the project.
- d. Projects developed internally by ACA WSO will be assessed by the Literature Evaluation subcommittee for their suitability for publication. Revisions will be suggested or implemented as needed to advance the project.
- e. Once a project is considered ready for fellowship review, it will be forwarded by the Literature Committee to the ACA WSO Board of Trustees with a recommendation that a publishing budget and release schedule be set.

2. Fellowship Review and Revisions

The most important evaluation of any new ACA literature being developed is performed by the fellowship at large. New literature projects will be made available to the fellowship for six months to three years of fellowship review. During fellowship review mode, ACA WSO may sell paper and digital copies of the publication, prominently identifying the project as a fellowship review mode version that is not yet Conference approved. The fellowship at large is encouraged to read and use the publication as it would any other ACA WSO literature. An accessible online feedback system, along with clear, prominent instructions will be provided to submit written feedback to ACA WSO.

The Literature Evaluation subcommittee will review all collected feedback, and at the end of the review period, it will assess whether the publication is of value to fellowship recovery. It also will make any needed revisions based on feedback.

Once the fellowship review mode is complete, the Literature Evaluation subcommittee will submit the completed manuscript, as well as a report on fellowship feedback and any significant edits made as a result, to the Board of Trustees. If the Board of Trustees decides not to forward the publication to the ABC for final Conference approval, it will notify the next ABC. ABC Delegates may accept the Board of Trustees' decision or direct ACA WSO to continue development of the project.

3. Final Conference Approval

Each year, the Board of Trustees will determine by the January teleconference what literature it is forwarding to the ABC for final Conference approval. Electronic access to each publication will be added to the ABC web page, and to the ABC delegate binder, so that delegates may access the publication at no cost. WSO will give delegates no-cost access to each publication in advance of the ABC. The Literature Committee and Board of Trustees will submit a statement of the publication's purpose to ABC delegates, along with a report documenting fellowship at large feedback and resulting revisions.

The Literature Committee will host an information session regarding projects that will be submitted to the Conference, and will invite registered ABC delegates to attend this meeting. Delegates are strongly encouraged to familiarize themselves with new literature projects before voting on whether to grant Conference approval.

Final Conference approval, based on extensive fellowship review, affirms that a piece of literature reflects the experience of the fellowship at large and is considered helpful to ACA members and groups in furthering recovery. Because of its unique status, Conference-approved projects will

OPPM (Operating Policy and Procedures Manual)

feature a specified labeling and logo use, to clearly distinguish them from other ACA WSO literature projects. Even after conference approval is granted, the fellowship may continue to send comments and request additional revisions.

Further information is available in the “Logos Use for Literature Projects” section of the literature policy.

F. Digital Literature

Digital literature may be considered in addition to, or in place of, hard copy publication. This decision will be made as part of the overall publication, pricing and distribution plan.

Where a digital format is approved, Literature Committee special workers will make all needed preparations for selling e-publications online. The Literature Chair reports the sales and royalties to the Treasurer and accountant, as well as report the sales volume in the Literature Committee Monthly Report.

G. Policy for reproduction and/or distribution of WSO Books and Literature

This policy provides general guidance regarding this topic.

All ACA WSO books and literature have been copyrighted and the initial point of supply/sale must be through WSO. The resale of purchased books and literature is authorized without further restrictions.

NOTE: Sections of WSO-sanctioned translations in development may be reproduced for use within a meeting. Such copies must have a watermark that says property of ACA WSO and may not be sold to anyone or distributed outside of meetings.

1. **ACA WSO Copyrighted Books:** Any reproduction of these books in whole or in part is not authorized except as described below for use within ACA meetings.

Registered ACA groups may only reproduce limited extracts of up to 5 pages for use within their meeting. ACA members and visitors should be encouraged to purchase their own copy of these books for their personal use.

2. **Tri-folds:** WSO tri-folds are available for free download from the adultchildren.org website. Reproduction is authorized for use in ACA groups as well as for general outreach purposes. Counseling and related facilities are also authorized to reproduce our tri-folds for free distribution to their patients and their extended practice.
3. **ACA Booklets:** Reproduction of these items in whole or in part is not authorized except as described below for use within ACA meetings.

Registered ACA meetings and Intergroups are authorized to make copies for use within their meeting on a limited basis. Such copies may not be distributed outside of a meeting.

ACA Group Websites: Except in the case of resale of books and materials, WSO requests that group websites direct users to www.adultchildren.org for purchase and/or download of ACA

copyright materials. In no case should any website provide any WSO copyrighted material for download that is not otherwise available for free download.

H. Translations of WSO Books and Literature

The WSO encourages ACA members to translate our literature into their native languages as an outreach to their community and local ACA meetings. However, such translations must be in accordance with policies established by the WSO. Those involved in such translations must sign a translation agreement acknowledging that the copyright and ownership of the translations are to be the property of WSO. In no case will such translations attempt to blend the ACA message with any non-WSO approved books or materials. Procedures and guidance will be provided by the WSO to ensure such translations are accurately translated and retain the message of the source copyright materials.

Additional guidance on translation is available on the Literature Committee section of the website Repository, and from the Literature Committee staff.

I. Logo Use for Literature Projects

Final Conference approval reflects a unique consensus of endorsement—including the fellowship at large, ABC Delegates, and the Board of Trustees. Therefore, a prominent, center-placement of the ACA WSO logo on publication covers, and on introductory pages, is reserved only for Conference-approved literature. At times ACA WSO will choose to place the logo elsewhere on the cover. The inside publication page will detail the Conference approval date. Where both have occurred, the literature will be labeled “Fellowship Reviewed and Conference Approved.”

Literature that has not undergone fellowship review, or received Conference approval, should avoid any language, logo, or other usages that in any way resemble the distinct labeling authorized for publications that have met these standards.

Service Entity Publications

Use of the ACA logo on publication covers and the front of trifold is reserved for ACA WSO publications only. ACA service entities (such as an ACA Region, Intergroup, or individual Meeting Group) that are registered in the ACA WSO database may identify local literature projects with the ACA WSO logo at the bottom of an inside page, and on the back of trifold but not on covers. It must be accompanied by a written explanation of the project and which service entity has produced it. To avoid confusion, these projects should carry a disclaimer on the cover, “This was created by xxxxx, a registered ACA Intergroup (or meeting, or region). This publication is not Conference-approved, nor is it affiliated with Adult Children of Alcoholics/Dysfunctional Families World Service Organization.”

To respect the Traditions, the ACA WSO logo may never be used in for-profit literature. Service entities charging any money for locally produced literature, even if only to cover printing and shipping costs, must direct all profits to a registered ACA service entity or entities; they must affirm this fact and to whom the profits are directed in print on the bottom of the introductory page. For example, “100% of the profits made in the distribution of this publication will be directed to the _____ ACA Intergroup.”

send out "cease and desist" letters to all parties associated with The Adult Children Anonymous General Service Network (ACA/GSN) as named in their own documents. As a result of this confrontation it was determined that the Board, when necessary, may retain legal counsel on issues deemed necessary by the Board.

Prior to retaining legal counsel, verbal and written contact will be made by a designee of the Board, to attempt to bring about a satisfactory agreement (settlement) to any issue in which the ACA WSO fellowship is being violated.

The Board will attempt to obtain volunteer council on every occasion prior to designating funds for such expense.

XIX. WSO EVENTS: ANNUAL BUSINESS CONFERENCE (ABC) and ACA WORLD CONVENTION (AWC)

The ABC is held on the Thursday and Friday prior to the fourth (4th) weekend of April each year. Any exception to this timing must be approved by the Board.

The AWC begins immediately following the ABC on Friday night.

There are many groups and individuals that work together to ensure successful events. Along with the Host Committee that ensures that logistics and facilities are managed on the ground, there are also many roles at the Board and Committee level that are associated with these two events. Those that are common to both events are:

- Board Liaison – a member of the Board who serves as the conduit for information between the Board and the main event Chairs and Committees for the ABC and AWC
- Finance Liaison – a member of the Finance Committee who helps ensure that the financial aspects of the two events are monitored closely
- Technology Liaison – a member of the Website and Database Committee who helps ensure that the venue, the technology vendors and the event Committees understand the needs of WSO for both events
- Host Committee Chair – a member of the Host Committee who is responsible for ensuring that the needs of both events are managed
- Facilities Coordinator – a member of the Host Committee who helps ensure that the needs of both events are honored

A Host Committee search team is tasked with locating Intergroups and Regions who are interested in hosting future ABC/AWC events.

A. Annual Business Conference (ABC)

1. Brief History and Purpose

In 1983, the Adult Children of Alcoholics (ACA) Business Conference (BC) was organized by the Central Service Board. This was later changed to the Annual Business Conference (ABC).

The Conference was established for the purpose of bringing unity and consistency to the ACA fellowship. This was to be done by establishing guidelines for both service and communication links within ACA.

OPPM (Operating Policy and Procedures Manual)

In 1987 the ABC Committee was authorized to print and mail ABC communication intended for the individual meetings and Intergroups.

The minutes from the ABC, in addition to being sent to all Intergroups, were sent to all registered delegates present at the ABC where addresses were known.

In 2013, for the first time the ABC was held outside of the United States in Birkerod, Denmark. A motion was passed in 2015 to host an annual recovery event to be held, when possible, in conjunction with the ABC. This was subsequently named the ACA World Convention (AWC)

The first annual AWC was held in Delray Beach, Florida. The AWC started on Saturday night, after the closing of the ABC, and continued through Sunday afternoon.

In early 2017, the WSO Board passed a motion to hold the ABC on Thursday and Friday so that the AWC could be extended an extra day – from Friday night through Sunday afternoon.

The Delegate Training Subcommittee was created at the 2016 ABC. Its goal was to better prepare the Delegates for their role.

2. Required Roles, Committees and Responsibilities

In addition to the roles noted in the beginning of this section, the ABC requires that the following roles be filled:

a. ABC Committee Chair

- i. Candidates for this role shall be selected from those who either volunteer or are identified for their abilities. If possible, this person should have prior experience in some major role associated with a recent ABC, preferably as the Vice Chair. They are ratified by the ABC delegates. An ABC Committee shall be formed if one does not already exist.
- ii. The term of service is one year with a maximum of two consecutive terms. After a hiatus of two years, an individual may again serve in this role.
- iii. The ABC Committee Chair works with the Host Committee as needed.
- iv. One or more WSO Special Workers may be utilized as they are available.
- v. Responsible for ensuring that the Delegate binders are completed, provided online before the ABC, and also printed for distribution to all on site registered delegates. An abbreviated version of the binder is given to guests. Two extra copies of the Delegate binder should be produced for the WSO archives.
- vi. Together with the Board Liaison, the ABC Committee Chair is responsible for the following:
 - a) Ensuring that the ABC is held in accordance with the ACA WSO ByLaws and this document.
 - b) Preparation and distribution of notifications to the Fellowship about the ABC, both through email blasts and information in the Traveler Newsletter
- vii. The ABC Chair is responsible for ensuring the following reports are submitted:
 - a) A monthly written report for the Board Teleconference to be filed with the Board Secretary at least three days prior to the meeting.

OPPM (Operating Policy and Procedures Manual)

- b) A written summary of all results of the Ballot Proposals included on the ABC agenda, including a very short synopsis of the discussions, resultant motions, amendments and outcomes of same – within one week after the ABC.
- c) A written summary within one week of anything from the ABC proceedings that require action by the Board.
- d) A written summary within one week of additional items brought before the ABC body for discussion and potential action.
- e) A written summary of recommendations to the Board for future such events – to be prepared after hosting a meeting that includes the ABC Committee including the Vice Chair, current and future Host Committee Chairs and pertinent sub-committee chairs, Delegate Training Sub-Committee Chair, Ballot Prep Chair, Board, Finance and Technology Liaisons, the Conference Chair and Secretary, and any WSO Special Workers involved in planning and executing the events(s).

Note: The summaries in b), c) and d) above will be written as an article for the July edition of the ComLine.

- viii. The completion of the duties of the ABC Committee Chair after an ABC shall be upon completion of the final ABC report.
- b. ABC Committee Vice-Chair: Shall maintain regular contact with the ABC Committee Chair and be included in all meetings and electronic communication. This person shall be well enough informed to be able to step into the Chair role if it should be required.
- c. Delegate Training Sub-Committee (DTSC) Chair – the DTSC is responsible for both pre-ABC training sessions as well as training during the ABC. The purpose is to help guide ABC Delegates in understanding how the ABC is conducted and their role in the process.
- d. The Conference Chair (aka the ABC Chair) is the individual who presides over the proceedings of the ABC meeting.
 - i. Nominations will be taken by the Board for this role through the end of January, with announcements of the need to fill this role made at three or more prior Board monthly Teleconferences. The Board may also nominate a candidate.
 - ii. The Conference Chair will be chosen by the Board by mid-February. This decision will be based on the past experience attending ABCs as well as demonstrated ability to be effective in a role that requires a calm but firm demeanor.
 - iii. The Conference Chair will not have a vote as a delegate.
- e. Conference Secretary: The Board Secretary will work with the ABC Committee Chair to determine the best way for the minutes to be taken. If extra help is needed, the Host Committee will be contacted. The ABC will be recorded as backup documentation.

The basic requirements for the minutes are:

- Who was present, including Delegates, Board members, non-voting attendees, and other individuals who fill pertinent roles.
- A listing of meeting segments and what reports were given during those segments.

OPPM (Operating Policy and Procedures Manual)

Reports that are included in the Delegate Binders will be referenced but not repeated within the minutes.

- Motions made, who made them, seconded them, pertinent discussion (names of speakers are not required), votes and outcomes.

All motions and their results must be made available for the Board Secretary to add to the Board's May Monthly Teleconference Agenda.

The draft minutes will be due within two months after the completion of the ABC. At that time they will be posted on the WSO website with a link sent to the delegates.

Final minutes must be completed by October 31st and will be included in the Delegate binder for the following year.

- f. **Parliamentarian:** A Parliamentarian will be available during the ABC to ensure that the Modified Robert's Rules of Order are followed (see Appendix X). It's important to note that the Traditions, Concepts and the OPPM will supersede any version of Robert's Rules.

3. Delegates

An ABC Delegate is an elected representative of a meeting or a WSO service body that is registered with WSO.

Groups are autonomous and can decide for themselves who their delegate shall be, although it is highly recommended that the delegate have been a regular meeting attendee for at least a year and will be able to attend one of the Delegate Training sessions.

Delegates participate in the discussion and voting at the ABC as part of presenting the views of the group they represent.

In addition to representing their group at the ABC, a delegate can serve in other ways.

- In January, before the ABC, a delegate may assist their group by shepherding the Ballot process for the submitted proposals.
- After the ABC, delegates can offer their insights, as well as their experience, strength and hope by participating in ABC surveys.
- They may also be expected to provide a written report to their group.
- A delegate may also be inspired to volunteer for a WSO Committee.
- They may also offer their insights to a first-time delegate the following year.

Delegates who travel to an ABC may receive partial or full reimbursement from the group they represent, depending on the financial resources of that group.

Any member of the fellowship can attend the ABC. However, an individual group may have only one registered delegate. An exception is that two individuals may share the position of voting delegate for their group as long as they are both registered and have indicated how they will share their responsibilities, e.g., person A will cover the first day and person B will cover the second day.

OPPM (Operating Policy and Procedures Manual)

More information for Delegates may be found on the acawso.org website.

4. The ABC and Delegate Voting

All Proposals on the ABC agenda do not automatically become motions.

The process is as follows:

- a. The Proposal is read by the Conference Secretary.
- b. Delegates briefly discuss its merits.
- c. Any delegate may then choose to create a motion from the proposal, citing that it is a motion derived from which specific Proposal number that was originally submitted by the registered group listed on the Ballot.
- d. Another delegate must then second the motion. If so done, it proceeds like any motion using parliamentary procedures.
- e. There will be limited time provided for discussion, based on the number of Proposals on the agenda and the remaining needs of the agenda.
- f. Delegates may only speak once about a motion, unless there is time remaining after all have spoken.
- g. A 60% vote of the delegates is required for a motion to be passed and forwarded to the WSO Board for possible action. (See Concepts VI, VII, and VIII for detail on the relationship and responsibilities of the ABC and WSO Board.)
- h. If the vote is not unanimous, the minority may make a case. If there are many people in the minority, a time limit for rebuttal will be set at the start.
- i. The majority is then asked if any one of them have changed their vote. If not, the original vote stands. If anyone has changed their mind, a new vote is taken. The results of that vote determine the conclusive outcome.

Per the ByLaws, the group conscience obtained from the delegates in attendance shall provide direction and recommendations to the Board for conducting the business of ACA WSO. It is also the Board's responsibility to provide information about how proposals or suggestions will impact the fellowship in ways that the delegates may not be aware of.

NOTE: Motions may be made from the floor by any Delegate during the ABC according to guidelines provided by the Conference Chair. The Delegates will then determine if any of these motions are of a time sensitive nature and should be discussed and acted upon during the ABC. If any floor motions are not deemed time sensitive, they will be referred to the Board for potential action.

5. Board Ratification

ABC Delegates are asked to ratify all Board members at the end of Day Two of the ABC. As each Board member is presented for ratification, the ABC Chair shall note which term and part of the term they are about to start, e.g., first term, first year; first term, second year; second term, first year; etc. It is at this time that any outgoing Board members officially leave the Board and newly elected Board members are added to the Board upon ratification.

The ABC does not accept nominations from the floor for new Board members. The Nominating

OPPM (Operating Policy and Procedures Manual)

Committee was created in 2017 to manage the Board nomination process and this committee accepts nominations year around.

B. ACA World Convention (AWC)

A motion was passed in 2015 to host an annual recovery event to be held in conjunction with the ABC. This recovery event was named the ACA World Convention (AWC).

In 2016 the first annual AWC was held in Delray Beach, Florida. The AWC started on Saturday night, after the closing of the ABC, and continued through Sunday afternoon.

As noted previously, in early 2017 the WSO Board passed a motion that moved the ABC from Friday and Saturday to Thursday and Friday so that the AWC could be extended an extra day – from Friday night through Sunday afternoon.

Host Committee: The group whose city wins the bid to host the next ABC and/or AWC will be called the Host Committee. The ABC Committee Chair shall help guide the work with a Host Committee and oversee their work to produce the ABC.

XX. BALLOT PREPARATION COMMITTEE (BPC)

The Ballot Process Committee (BPC) is responsible for tasks associated with the annual ABC Proposal and Ballot process. These tasks include:

- A. Information and Education
- B. Call for Proposals

- D. Draft WSO Analyses in cooperation with the Board and relevant Committees
- E. Facilitation of Proposal translations
- F. Publication of the Ballot for group voting

Note: In this section of the OPPM the word ‘group’ refers to any ACA meeting, Intergroup, Region or other service body registered with WSO.

OPPM (Operating Policy and Procedures Manual)

A. Information and Education

The BPC is responsible for educating the fellowship about the Proposal and Ballot process. This is done before the Call for Proposals as well all stages listed in this section. Information that was disseminated in previous years is available on the <https://acawso.org> website.

B. Call for Proposals

The Call for Proposals begins with emails sent to WSO Private Contacts of all registered groups by August 1st that informs them about the process and deadlines. All pertinent information will also be available on the WSO website (<https://acawso.org/category/ballot-prep/>) and announced through other WSO publications.

The Proposal guidelines shall include the following paragraph: "We recognize that our program operates within the Spirit of the Twelve Steps and Twelve Traditions and that we must exercise judicious behavior in being of service to our fellowship. We encourage all groups to embrace the needs of our global fellowship as a whole. Proposals that are better handled at the meeting, WSO service body or Committee level may be directed away from the Ballot, based on discussion with the submitting group."

C. Proposal Submissions

Proposals may be submitted by any ACA group that is registered with WSO. While proposal ideas may be initiated by an individual group member, submitted Proposals must be the product of a wider group conscience.

The proposal is then submitted by the group's appointed person, such as the WSO contact, the Secretary, the WSO Delegate (if the group has one), or an alternate appointed by the group.

The person submitting a Proposal must include the following information:

- The WSO group ID number
- The requested Private Contact information

NOTE: The Private Contact(s) are not necessarily the same as the public meeting contact.

The maximum length for a Proposal will be 300 words, including the Proposal itself and the Background (i.e., history and reasoning) that helps make the case for the proposal. Attachments and links to other information may not be included.

Proposals must be received by the WSO no later than October 31st.

The group submitting the Proposal may be contacted if the submission needs clarification, would benefit from editing or might better be redirected to a committee or another level of the WSO service structure.

The Board may also submit Proposals. These may either be created by the Board itself or be the product of a submission to the Board.

D. Proposal Analysis

OPPM (Operating Policy and Procedures Manual)

With the help of Trustees and appropriate Committees, the BPC shall prepare the WSO Analysis of each proposal and submit them to the Full Board for approval. The analyses, approval and translations (see below) must be completed by January 10th to allow the BPC time to prepare the Ballot for distribution.

E. Translations

Proposals will be available for volunteer translators the first week of December, with the Analysis of each Proposal provided as it is completed. Translators are asked to contact bpc@adultchildren.org for more information. As noted above, translations must be ready for publication by January 10th.

F. ABC Ballot

Ballots containing the Proposals will be sent to all email accounts associated with registered ACA groups by January 15th.

Links to the Ballot will also be placed in announcement on the WSO websites and WSO publications.

Groups will be asked to vote Yes, No, or No Opinion for each Proposal. A No Opinion will not be included as part of the total vote count. A field will be provided for an optional group comment for each Proposal.

The person submitting a group's Ballot must include the following information:

- The WSO group ID number
- The requested Private Contact information

The deadline for submission of all Ballots is March 31st. The results of the Ballots will be published on the WSO website by April 10th.

G. Validate and Publish the Results

When counting the Ballot results, an affirmative vote of 60% of those groups responding to a Proposal will place that Proposal on the ABC agenda for considerations by the ABC delegates.

The results of the Ballot will be published on the WSO websites and publications.

The BPC will provide the ABC Committee with the final voting totals, indicating which Proposals should be included on the ABC Agenda.

Comments that were included in the Ballots about all Proposals will also be sent to the ABC Committee for dissemination and inclusion in the Delegate Binders.

XXI. ACA WSO WEBSITE

A. ACA WSO currently maintain five websites:

- E. Website administrators and others involved with the functioning or maintenance of WSO websites and similar communication mediums must be approved by the Board.

OPPM (Operating Policy and Procedures Manual)

APPENDICES

APPENDIX I — RIGHT TO PETITION

In the event the Board or a Committee of the Board (WSO) has declined to take action on an issue, or there is dissent or dissatisfaction with some action or inaction of WSO, the fellowship may formally petition for reconsideration or some other specific action to be taken by WSO.

Guidelines for submitting petitions are as follows:

- 1) Must be submitted in writing to the Board Secretary (secretary@adultchildren.org) cc'ing the Board Chair (chair@adultchildren.org).
- 2) Must include the reason for submitting the petition, including any information that might not have been available at the time of the original WSO decision.
- 3) Must be co-submitted by either
 - a. Five (5) or more registered meetings that are spread out over at least three (3) different states, provinces or countries, or
 - b. Three (3) or more registered Intergroups that represent at least two (2) different states, provinces or countries.
- 4) The petition must include contact information for all supporting groups (as in 3 above).

Note: We suggest for ease and speed of processing that your petition include, if available, background information about the original issue, the decision made and any reasoning given, results of any vote taken and whether or not it was unanimous, as well as dissenting opinions, if given.

WSO will be obligated to place the petition on the agenda at the regularly scheduled Monthly Board Teleconference no more than 45 days after receipt of the petition.

Petitions will be taken up by the Executive Committee, which will delegate consideration of the petition to the appropriate WSO body. Working with the Petitioners, the assigned WSO body will determine a timeline to address the petition.

Once the assigned WSO Body determines a suggested resolution, that suggested resolution shall go to the Board for review. Actions that can be taken are to:

- 1) Accept and implement the petition
- 2) Reject the petition with an explanation.
- 3) Seek a mutually agreeable compromise.

Petitions with their original submission date will remain on the Monthly Teleconference agenda and a progress update made until such time as a resolution has been determined and announced. Once a resolution is achieved, the petition and its resolution will then be posted on the Monthly Teleconference agenda for the following two monthly meetings.

NOTE: Petitions that result in the Board reconsidering an action may not be re-submitted again after a resolution has been determined by the Board, unless there is significant new information available that may alter the original decision.

APPENDIX II – REGION CERTIFICATION PROCESS

A. Requirements to Establish and Certify an ACA Region

As written in the *Big Red Book*, “A Regional Service Committee serves as a coordinating point for

OPPM (Operating Policy and Procedures Manual)

several Intergroups in a geographical area⁵”. NOTE: The OPPM uses the preferred term “Region(s)” in place of “Regional Service Committee.”

Regions are part of the service network between the world service organization and the fellowship. They provide information and support, connecting ACA members, meetings and Intergroups to help encourage participation as trusted servants and to grow meetings full of experience strength and hope throughout the world.

The **Big Red Book** section titled *How to Start an ACA Intergroup or Regional Service Committee* (pg. 603) lays out the first steps to take to form a Region (or Intergroup⁶).

The additional steps below are provided to help a Region become formally recognized by ACA WSO.

1. Notify the Regions Subcommittee (regions@acawso.org) and the Service Network Committee (svc@acawso.org) of your intent to become certified as a region.
2. Document the following to the Regions Subcommittee for certification:
 - a) The trusted servants giving service to the Region (Officers, etc.)
 - b) The current level of participation of Meetings and Intergroups throughout the proposed Region.
 - c) A service plan that meaningfully improves recovery throughout the Region.
 - d) Describe the geographic area, or common feature such as language that the new Region serves and how this supports intergroups.
 - e) Minutes and/or other documentation that reflects organizational information.
3. Consider sending a representative to the Regions Subcommittee of MSC (Member Services Committee).

Upon completion of these steps, the Regions Subcommittee will review everything and provide feedback, if necessary. When all information is in order, they will recommend the Region to the Board for certification.

Once certified, a Region may submit a candidate to the Nominating Committee if they would like representation on the Board. Regional Trustees must meet the same eligibility requirements as all other Board Trustees (see OPPM Section III. WSO BOARD OF TRUSTEES).

⁵ Regions may also be formed by other common features, not just geographic areas, i.e. – Virtual, language, etc.

⁶ Intergroups currently do not have a certification process – they can be registered directly on adultchildren.org

OPPM (Operating Policy and Procedures Manual)

B. ACA Regions in the United States and Canada

The following is the current suggested regional map for the US and Canada. Local needs will best determine how intergroups come together to organically form regions. They may change over time. Regions may merge or split as well, based upon the local needs of the fellowship. These changes will be driven by the growth of ACA and the need to support more local groups, membership services (Meeting Lists, Literature, Events) and outreach (Public Services and Hospitals & Institutions) needs. This map will be adjusted as Regions form organically.

OPPM (Operating Policy and Procedures Manual)

C. ACA Regions around the World

The Service Network Committee will modify this global Regions map as new regions form. We encourage regions to begin forming around the world based upon their local needs to serve the ACA fellowship.

APPENDIX III -- OPPM DEVELOPMENT

This Policy Guide has been put together combining the appropriate bylaws and past motions of the Board of Trustees and the ABCs. It was accepted into use at the 1992 Annual Business Conference and in 1995. The OPPM was revised in 2010 by the ACA WSO Board of Trustees and contains the day to day operating guidelines by which the Board and Annual Business Conference shall function. It was partially revised in 2012. Newer updates are footnoted and/or included in the Change Log at the end of this document.

OPPM (Operating Policy and Procedures Manual)

APPENDIX IV – NOMINATING COMMITTEE

Accountability and Cooperation Statement

The ACA Nominating Committee (the “Committee”) is accountable to the Annual Business Conference (the “ABC”) and the ACA WSO Board of Trustees (the “Board”). When the ABC is not in session, the Committee communicates and works with the Board. The Committee strives to promote and support a cooperative working relationship with both the ABC and the Board.

Purpose of the Committee

The purpose of the Committee is to identify and then vet ACA members, from throughout the full range of ACA’s worldwide fellowship, whose skills, experience, wisdom and program knowledge support their ability to be Trustees. The Committee is responsible for forwarding qualified candidates (nominees) to the Board for consideration and selection as Trustees. Once it becomes fully established, the Nominating Committee will also vet, identify and orient potential candidates for other ACA trusted servant positions, such as WSO committee members. The Committee’s twin goals are to represent the fellowship’s broad values, by involving multiple stakeholders in a fair, transparent process for identifying trusted ACA servants, while also nominating candidates who can capably carry out WSO’s business and service needs.

In support of this, the Committee will maintain current online descriptions of the skills, talents, and experience necessary to successfully fulfill the tasks of ACA trusted service positions. Opportunities and selection criteria for all trusted service positions will be broadly disseminated and posted on the ACA WSO website so that all ACA members can have the opportunity to serve the fellowship.

General Duties

The Committee’s evaluations of candidates will be based on criteria made available on the ACA WSO website.

The Committee will utilize various WSO publications in an effort to keep the Fellowship informed of its activity and any pending nominations process deadlines. The Committee will welcome input from the Fellowship on any aspect of its work and will provide communication links for this purpose.

In conducting its vetting process, the Committee will:

- Review written applications of Board candidates.
- Conduct additional evaluations, such as examining committee attendance and considering feedback from those who have served with Board candidates.
- Interview those candidates who appear to meet eligibility criteria.
- Work with the Board to identify any specialized needs WSO has, such as financial or website oversight, and use that awareness in vetting candidates.
- Submit eligible and qualified nominees to the Board, which will either agree with each nomination, or state its objections in writing to the Committee.
- In the event of a written Board objection, the Committee will further evaluate the candidate to determine whether to withdraw the nomination or resubmit it to the Board, in which case it will affirm in writing that it finds the candidate to be qualified for Board service.

As already mentioned, over time the Committee will expand its role to vet and nominate qualified candidates for other key WSO volunteer positions, such as committee chairs and vice chairs. In its work, the Committee will collaborate with all other WSO efforts to recruit and orient volunteers.

OPPM (Operating Policy and Procedures Manual)

Committee Membership and Participation

The Committee will consist of five members, including one member from outside the U.S. and Canada. Initially, two members of the Committee will be selected by the Board, and three selected by non-Board members of WSO committees. Terms will be two years, but in order to ensure an appropriate rotation of Committee members, two members of the first Committee will be chosen by lot to serve one-year terms, with the opportunity to be selected for an additional two-year term.

Trustees are not eligible to be on the Committee. However, one Trustee will be appointed to serve as a non-voting liaison. This individual's responsibility will be to keep the Board informed of ongoing Committee work by participating in all Committee meetings and discussions.

At the end of two years, after there is a chance to assess the Committee's needs and effectiveness, structural changes may be considered by the Board and ABC, including how Committee members are selected.

Membership Qualifications for the Committee

In addition to such spiritual qualities as humility, integrity, trustworthiness, and strong commitment to open communication, to help ensure that Committee members have a full awareness and understanding of Board requirements, the following are qualifications for nomination and election to the Committee:

- 1) Ability to protect confidential information revealed during the Committee evaluation process.
(Confidentiality)
- 2) History of both completing work independently and working well within a group.
- 3) Familiarity with the ACA service structure.
- 4) Strong organizational and communication skills.
- 5) Ability to donate substantial time to attend meetings and to fulfill the additional commitments of Nominating Committee membership.
- 6) A working knowledge of the Twelve Steps, Traditions, and Concepts of Service.
- 7) Continuous attendance at ACA meetings for at least the previous six years, except that one member may have 2-3 years of attendance. Having one newer member will ensure that the needs of relative newcomers to ACA will be considered by the Committee.
- 8) One year or more of combined service for an ACA intergroup, region or WSO committee, with at least six months of active participation on a WSO Committee.
- 9) Attendance on at least six WSO teleconference calls in the previous nine months.
- 10) May not hold a high-level volunteer position in another 12-Step fellowship.

The qualifications for WSO Trustees are found in Section III of this document.

Other Notes on the Committee and Board Selection Process

- The Committee may not nominate a current or outgoing Committee member to the Board. Once off the Committee for a year, former Committee members are eligible for Board membership.
- The Committee will consider all Board candidates, including those from members of the Fellowship and ACA groups, as long as the candidate submits a written and signed application before the posted submission deadline.
- Board candidates must be vetted by the Committee and demonstrate that they meet eligibility criteria before they are affirmed for Board membership. Therefore, new Trustees may not be

OPPM (Operating Policy and Procedures Manual)

elected directly from the floor by ABC delegates.

- The Board may not directly select new Trustees. They may, however, submit candidates to the Committee for vetting.
- WSO-certified Regions are entitled to a seat on the Board of Trustees. Candidates from Regions will be forwarded to the Board if the Committee finds that they meet Board eligibility criteria.
- All nominees who are accepted by the Board will be according to the guidelines in Section III of this document, and delegates at the next ABC will vote whether to ratify them as Trustees along with the rest of the Board.
- Board objections to any Trustee nomination must be submitted in writing to the Committee within 30 days of receipt, or else a candidate will be presumed to be seated on the Board. The Board's written objections must cite specific eligibility criteria that a candidate allegedly fails to meet. All candidates will also receive the board's written objections, and be given a chance to respond.
- In the event of a stalemate between the Board and the Committee, in which the Committee continues to find that a candidate is eligible and the Board continues to object, the candidacy will be submitted to the delegates at the next ABC for a final vote.

It is expected that one Nominating Committee representative will attend each ABC

APPENDIX VII -- ACA 12 STEPS; 12 TRADITIONS; 12 CONCEPTS

Twelve Steps of Adult Children of Alcoholics

1. We admitted we were powerless over the effects of alcoholism or other family dysfunction, that

OPPM (Operating Policy and Procedures Manual)

our lives had become unmanageable.

2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God as we understand God.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked God to remove our short comings.
8. Made a list of all persons we had harmed and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God, as we understand God, praying only for knowledge of God's will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these Steps, we tried to carry this message to others who still suffer, and to practice these principles in all our affairs.

Twelve Traditions of Adult Children of Alcoholics

1. Our common welfare should come first; personal recovery depends on ACA unity.
2. For our group purpose there is but one ultimate authority – a loving God as expressed in our group conscience. Our leaders are but trusted servants, they do not govern.
3. The only requirement for membership in ACA is a desire to recover from the effects of growing up in an alcoholic or otherwise dysfunctional family.
4. Each group is autonomous except in matters affecting other groups or ACA as a whole. We cooperate with all other Twelve-Step programs.
5. Each group has but one primary purpose – to carry its message to the adult child who still suffers.
6. An ACA group ought never endorse, finance, or lend the ACA name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.
7. Every ACA group ought to be fully self-supporting, declining outside contributions.
8. Adult Children of Alcoholics should remain forever nonprofessional, but our service centers may employ special workers.
9. ACA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Adult Children of Alcoholics has no opinion on outside issues; hence the ACA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we maintain personal anonymity at the level of press, radio, TV, films, and other public media.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

Twelve Concepts of Adult Children of Alcoholics

Concept I: The final responsibility and the ultimate authority for ACA World Services should always reside in the collective conscience of our whole fellowship.

OPPM (Operating Policy and Procedures Manual)

Concept II: Authority for the active maintenance of our world services is hereby delegated to the actual voice, the effective conscience for our whole fellowship.

Concept III: As a means of creating and maintaining a clearly defined working relationship between the ACA meetings, the ACA WSO Board of Trustees, and its staff and committees, and thus ensuring their effective leadership, it is herein suggested that we endow each of these elements of service with the traditional Right of Decision.

The right of decision as defined herein refers to:

1. *the right and responsibility of each trusted servant to speak and vote his/her own conscience, in the absence of any contrary mandate, on any issue regardless of the level of service;*
2. *the 12 Steps, 12 Traditions, and the Commitment to Service will be followed by trusted servants in decision making;*
3. *delegates to the Annual Business Conference are trusted servants and therefore equally guided by the 12 Steps, 12 Traditions, 12 Concepts, and the Commitment to Service;*
4. *standard practice that decisions made by subcommittees are subject to the authority of the service body which creates its mission and defines its parameters.*

Concept IV: Throughout our structure, we maintain at all responsible levels a traditional Right of Participation.

Concept V: Throughout our structure, a Right of Petition prevails, thus assuring us that minority opinion will be heard and that petitions for the redress of grievances will be carefully considered.

Concept VI: On behalf of ACA as a whole, our Annual Business Conference has the principal responsibility for the maintenance of our world services, and it traditionally has the final decision respecting large matters of general policy and finance. But the Annual Business Conference also recognizes that the chief initiative and the active responsibility in most of these matters would be exercised primarily by the Trustee members of the World Service Organization when they act among themselves as the World Service Organization of Adult Children of Alcoholics.

Concept VII: The Annual Business Conference recognizes that the Articles of Incorporation and the Bylaws of the Adult Children of Alcoholics World Service Organization are legal instruments: that the Trustees are thereby fully empowered to manage and conduct all of the world service affairs of Adult Children of Alcoholics. It is further understood that our World Service Organization relies upon the force of tradition and the power of the ACA purse for its final effectiveness.

Concept VIII: The Trustees of the World Service Organization act in this primary capacity: with respect to the larger matters of over-all policy and finance, they are the principal planners and administrators. They and their primary committees directly manage these affairs.

Concept IX: Good service leaders, together with sound and appropriate methods of choosing them, are, at all levels, indispensable for our future functioning and safety. The primary world service leadership must necessarily be assumed by the Trustees of the Adult Children of Alcoholics World

OPPM (Operating Policy and Procedures Manual)

Service Organization.

Concept X: Every service responsibility should be matched by an equal service authority – the scope of such authority to be always well defined whether by tradition, by resolution, by specific job description, or by the Operating Policy and Procedures Manual and bylaws.

Concept XI: While the Trustees hold final responsibility for ACA's World Service administration, they should always have the assistance of the best possible standing committees, corporate trustees, executives, staffs, and consultants. Therefore the composition of these underlying committees and service boards, the personal qualifications of their members, the manner of their induction into service, the systems of their rotation, the way in which they are related to each other, the special rights and duties of our executives, staffs and consultants, together with a proper basis for the financial compensation of these special workers, will always be matters for serious care and concern.

Concept XII: In all its proceedings, Adult Children of Alcoholics World Service Organization shall observe the spirit of the ACA Twelve Traditions, taking great care that the conference never becomes the seat of perilous wealth or power; that sufficient operating funds, plus an ample reserve, be its prudent financial principle; that none of the Conference members shall ever be placed in a position of unqualified authority over any of the others; that all important decisions be reached by discussion vote and whenever possible, by substantial unanimity; that no WSO action ever be personally punitive or an incitement to public controversy; that though the WSO may act for the service of Adult Children of Alcoholics, it shall never perform any acts of government; and that, like the fellowship of Adult Children of Alcoholics which it serves, the WSO itself will always remain democratic in thought and action.

APPENDIX VIII – CONFLICT OF INTEREST POLICY

**Adult Children of Alcoholics World Service
Organization, Inc.
CONFLICT OF INTEREST POLICY**

Article I: Purpose

The purpose of this Conflict of Interest Policy is to establish the procedures for the identification and resolution of conflicts of interest in the context of transactions or arrangements entered into by “Adult Children of Alcoholics World Service Organization, Inc.” hereinafter “Adult Children of Alcoholics” where an Interested Person (defined below) may have a Financial Interest (defined below) in or Fiduciary Responsibility (as defined below) towards an individual or entity with which Adult Children of Alcoholics is negotiating a transaction or arrangement. The determination that a conflict of interest exists does not prohibit the Adult Children of Alcoholics from entering into the proposed transaction or arrangement provided that the procedures set forth in Article III below are followed. This policy is intended to supplement but not replace any applicable state laws governing conflicts of interest applicable to nonprofit and charitable corporations.

Article II: Definitions

1. Interested Person

Any director, principal officer, employee, or member of a committee with board-delegated powers who has either (a) a direct or indirect financial interest, as defined below (“Financial Interest”); or (b) a fiduciary responsibility to another organization, as defined below (“Fiduciary Responsibility”), is an interested person.

2. Financial Interest

A person has a Financial Interest if the person has, directly or indirectly, through business, investment or family (which are spouse, children and step children, and other relatives living with such person):

- A. an ownership or investment interest in any entity with which Adult Children of Alcoholics has a transaction or arrangement; or
- B. a compensation arrangement with Adult Children of Alcoholics or with any entity or individual with which Adult Children of Alcoholics has a transaction or arrangement;
- C. a potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which Adult Children of Alcoholics is negotiating a transaction or arrangement; or
- D. other than an arm's-length relationship with prospective or actual grantees relative to the design of specific projects, preparation of specific proposals and review and oversight of funded projects, and Adult Children of Alcoholics related activities.

Compensation includes direct and indirect remuneration as well as gifts or favors. Gifts and favors include any gratuitous service, loan, discount, money or article of value, but does not include loans

OPPM (Operating Policy and Procedures Manual)

from financial institutional on customary terms, articles of nominal value ordinarily used for sales promotion, ordinary "business lunches" or reasonable entertainment consistent with local social or business customs.

A Financial Interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a Financial Interest may have a conflict of interest only if the board or appropriate committee decides that a conflict of interest exists.

3. Fiduciary Responsibility

A person has a Fiduciary Responsibility towards an organization or individual if he or she:

- a. occupies a position of special confidence towards such organization or individual;
- b. holds in trust property in which another person has the beneficial title of interest, or who receives and controls the income of another; or
- c. has a duty of loyalty or duty of care to an organization (by virtue of serving as an officer or director of an organization or other position with similar responsibilities). A duty of loyalty requires the person to refrain from dealing with the organization on behalf of a party having an interest adverse to the organization and refrain from competing with the organization. A duty of care requires the person to discharge his or her duties in good faith and in a manner he or she reasonably believes to be in the best interests of the organization.

A Fiduciary Responsibility is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a Fiduciary Responsibility may have a conflict of interest only if the board or appropriate committee decides that a conflict of interest exists.

Article III: Procedures

1. Duty to Disclose

In connection with any actual or possible conflicts of interest, an interested person must disclose the existence and nature of his or her Financial Interest or Fiduciary Responsibility and all material facts to the directors and members of committees with board-delegated powers considering the proposed transaction or arrangements.

2. Determining Whether a Conflict of Interest Exists

After disclosure of the Financial Interest or Fiduciary Responsibility and all material facts, and after any discussion with the interested person, he or she shall leave the board or committee meeting while the final determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

3. Procedures for Addressing the Conflict of Interest

- a. An interested person may make a factual presentation at the board or committee meeting, but after such presentation, he or she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement that results in the conflict of interest. An interested person shall not actively participate in the discussion of, or vote on, the transaction or arrangement that results in the conflict of interest, either formally at a board or committee meeting or informally

OPPM (Operating Policy and Procedures Manual)

through contact with individual board or committee members. In addition, the interested person should not be counted in determining whether a quorum is present for the board or committee meeting at which the transaction or arrangement that results in the conflict of interest is to be voted upon.

- b. The chair of the board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- c. After exercising due diligence, the board or committee shall determine whether Adult Children of Alcoholics can obtain a more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not give rise to a conflict of interest.
- d. If a more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interest, the board or committee shall determine by a majority vote (or other voting requirement, as provided in the Bylaws of Adult Children of Alcoholics) of the disinterested directors whether the transaction or arrangement is in Adult Children of Alcoholics interest and for its own benefit and whether the transaction is fair and reasonable to Adult Children of Alcoholics and shall make its decision as to whether to enter into the transaction or arrangement in conformity with such determination.

4. Violations of the Conflicts of Interest Policy

- a. If the board has reasonable cause to believe that a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
- b. If, after hearing the response of the member and making such further investigation as may be warranted in the circumstances, the board or committee determines that the member has in fact failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective actions.

Article IV: Records of Proceedings

The minutes of the board and all committees with board-delegated powers shall contain:

- a. the names of the persons who disclosed or otherwise were found to have a Financial Interest or a Fiduciary Responsibility in connection with an actual or possible conflict of interest, the nature of the Financial Interest or Fiduciary Responsibility, any action taken to determine whether a conflict of interest was present, and the board's or committee's decision as to whether a conflict of interest in fact existed.
- b. the names of the persons who were present for discussions and votes relating to the transaction or arrangement, the names of the persons who recused themselves from such discussion and votes, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection therewith.

Article V: Compensation Committees

A voting member of any committee with board-delegated powers whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from Adult Children of Alcoholics for services is precluded from voting on matters pertaining to that member's compensation.

OPPM (Operating Policy and Procedures Manual)

Article VI: Annual Statements

Each director, principal officer, and member of a committee with board-delegated powers annually shall sign an acknowledgement and disclosure form that:

APPENDIX IX – TRAVEL REIMBURSEMENT POLICY

Note: Copies of receipts are required for all expenditures.

All expenses for transportation, lodging and food are reimbursable for Board members, employees, and others while traveling on WSO business as long as the travel is pre-approved, using the Travel Approval Form (provided at the end of this Appendix), or accepted as necessary by the Board.

A. Transportation to the Destination:

Each person should travel the most efficient and economical means as reasonable and possible.

The following transportation costs are reimbursable:

1. Airline or train tickets, including the cost of one checked bag.
2. Airport parking for the least expensive daily parking rate.
3. Cab fare or the cost of mileage reimbursement for a friend or relative who drives the traveler to the airport. Mileage reimbursement is based on GSA (US General Services Administration) guidelines.

Note that if public transportation is available, then every effort should be made to use it – unless it is too inconvenient because of luggage and materials being transported.

If the traveler chooses to drive rather than use a more economical mode of travel, the reimbursement would not exceed the cost of airfare and related expenses.

B. Transportation at the Destination:

All factors should be taken into account when deciding whether to rent a car or use local transportation options.

If it is most reasonable and effective for the traveler to rent a car, the reimbursement will include the rental cost, rental car company insurance, and gas. The Board should be asked for general consensus when making a decision to rent a car.

C. Food, Incidentals, and Entertainment:

1. Food and Incidentals per diem, herein referred to as M&IE (Meals and Incidental Expense rate):

Receipts are not required for meals and incidentals for which M&IE is claimed.

Payment for M&IE expenses while traveling will be \$58 per day, or an equivalent amount in a foreign currency for non-US travelers. This includes \$5 for incidentals. It is also applicable for travel days. These figures were derived using US General Services Administration (GSA) recommendations as a guideline.

Partial M&IE details:

- a. Any of the traveler's meals that are provided or paid for by others, including as part of an event/meeting should be deducted from the M&IE for that day per the following: Breakfast \$11, Lunch \$16, Dinner \$26. As an example, if lunch is provided, the traveler will claim \$42 M&IE for that day (\$58 minus \$16.) Note: hotel and airline meals that are provided are not considered as being provided by others.
 - b. M&IE for local travelers on travel days: those who drive to an event/meeting within 100 miles may claim M&IE for only the meal(s) they have to pay for themselves during the time they are asked to be on site.
2. Entertainment: On the rare occasion that a Board member or key employee invites other members of the fellowship, employees or vendors to a meal, they will make every effort to stay within the individual meal costs for all parties for that meal. To keep things simple, they will not be required to obtain an extra receipt for just their own meal, but instead have their meal paid for as part of the whole and then deduct that meal from their M&IE.

ACA WSO PRE-TRAVEL AUTHORIZATION FORM

All travel on behalf of ACA WSO requires authorization prior to confirming the travel arrangements. This form should be completed by the traveler and submitted to the committee chair or board member who is responsible for the traveler’s budget. After that person approves, please send to the Treasurer, who will obtain Board approval.

APPENDIX X – ABC MOTION PROCEDURE, INCLUDING MODIFIED ROBERT’S RULES OF ORDER⁸

The goal of the following information is to improve the ABC Delegate debate experience, and to better manage limited time by clarifying how we use Robert’s Rules of Order and group conscience tools at the 2020 ABC.

In essence, this process increases the emphasis on group conscience discussion before a motion is introduced, and also creates a path for smaller groups of interested delegates to work out wordsmithing and other detail issues offline, so that the larger group’s time is respected.

Instead of jumping straight into introduction and seconding of motions, we will do the following:

1. **Limit discussions of each ballot measure to 30 minutes**, beginning with the items that received the highest percentage of fellowship votes.
2. **Begin with 10 minutes of open delegate discussion**, so that we can have a sense of the group BEFORE a motion is introduced.
3. **Take wordsmithing and other detail debates offline** by tabling motions that need additional work before a final vote. Bring them back for a vote if differences can be resolved by a smaller group of delegates.
4. **Authorize the chair to “pause” motions to postpone, table, or call the question** except at designated times within the 30-minute discussion window, as these motions are confusing, time-confusing and tend to shut down discussion. *In response to the Board’s vote, change to the Operating Procedures and Policy Manual (OPPM) has been requested to give the ABC chair this authority.*

On a separate topic, time will be designated during the second day to consider new floor motions from delegates, using a process already in the OPPM.

The following is the full proposal that was approved by the Board, as well as a flow chart for how the discussion process would work. This process should keep each measure to 30 minutes or less, while allowing a maximum of open dialogue and a minimum of Robert’s maneuvering.

Set Time Limits and Order of Ballot Measure Discussions

1. In compliance with pages 36 and 37 of the OPPM, ABC chair will set a time limit of 30 minutes of open-floor discussion for each motion. He/she also will announce an OPPM rule limiting each speaker to one opportunity to speak per each round of discussion.
2. Start with ballot measures that got the highest fellowship percentage and debate in descending order of support. This respects the fellowship’s feedback.

Initial Group Conscience Discussion

3. After a ballot measure is read and introduced, the chair declares 10 minutes of open discussion on broad issues. Is it a good idea? Bad idea? Are there unintended consequences? At the end

⁸ Added per motion of the Board on 2-20-20

of 10 minutes, or when there are no more speakers, the ABC chair asks for a show of hands for three positions: Do you support the motion as written? Oppose it in any form? Is the idea generally good, but needs some significant revision?

Introducing and Debating a Formal Motion

4. Based on the show of hands, ABC chair suggests how Roberts might best be used:
 - a. Where there is a clear majority for support, ABC chair calls for a motion to approve, and sets up to 10 minutes of debate before voting and minority opinion.
 - b. Where a majority favors rejecting, ABC chair declares that the ballot measure is unlikely to receive substantial unanimity (of 60 percent or more) and requests a motion to postpone or remove it from the agenda. 5 minutes of debate, followed by a vote and minority opinion.
 - c. Where there is a strong body of support but also a significant desire for amendments, edits, etc., the ABC chair asks for a motion to table the measure and assign it to a small-group problem-solving discussion. If differences are resolved, it will be brought back to the delegates on Day 2.
 - d. Similarly, if an amendment is introduced that itself causes extensive debate, the ABC chair may recommend a motion to table for small-group discussion.

Problem-Solving Discussion Groups

Where there is a likely path to 60 percent approval but not enough time to parse the issues within 30 minutes, the preferred path is to table an item and invite a group of interested delegates to explore a compromise amendment, during designated breaks in the ABC. This will keep the larger meeting from being bogged down by detail discussions.

Time would be set aside on Day 2 for delegates to consider amended proposals.

Calling the Question/Motion to Postpone or Table

Because there will be a 30-minute time limit on each item, the board voted to permit the chair not to recognize motions to “call the question” or “move to postpone or table.” In previous ABCs, these motions were highly confusing, often thwarted group discussion, and actually burned up extra time for their own debate and vote.

Instead, the chair may resolve requests to “speed debate” informally. For instance, the chair might say, “we’re down to two minutes of debate. Calling the question will take longer, so I’m going to suggest we allow the remaining debate to occur.” Or, “Calling the question requires debate and a vote, so let me just ask for a show of hands: does anyone object to ending debate now?”

Flow Chart: How the Process Would Work

1. Secretary or other person designated by chair reads the proposed motion into the record.
2. Chair initiates 10 minutes of open discussion, with no motion introduced.
3. After 10 minutes, the chair asks for a show of hands to get a “sense of the group,” posing these three questions:

OPPM (Operating Policy and Procedures Manual)

- a. “If you strongly support this proposal in the form that it is written, please raise your hands (or paddles).”
 - i. If a strong majority raises its hands, the chair says, “I believe this motion has substantial unanimity at this time. I would invite a motion to approve this measure.”
 - ii. 10 minutes for additional debate and vote.
 - iii. If needed, minority opinion and a final vote

- b. “If you strongly oppose the purpose of this proposal, and are unlikely to support it in any form, please raise your hands.”
 - i. If a majority raises its hands, the chair says, “I believe this motion is unlikely to receive substantial unanimity at this time. I would invite a motion to postpone this item until a future ABC.”
 - ii. Up to 10 minutes for additional debate and vote.
 - iii. If needed, minority opinion and a final vote.

- c. “If you generally support the purpose of this proposal, but would require amending it before you could vote yes, please raise your hands.”
 - i. If an amendment is needed to achieve substantial unanimity, the chair would invite 5 minutes of discussion to identify what amendments are being requested.
 - ii. At that time, if issues are not resolved, the chair says, “I believe this proposal requires additional work before presenting it for a final vote. I would invite a motion to table it until later in this ABC, so that interested delegates can try to amend the motion as needed.”
 - iii. Up to 10 minutes for additional debate and vote.
 - iv. If needed, minority opinion and a final vote.
 - v. Chair designates a time and place for follow-up small-group discussion on possible amendments.
 - vi. At a designated time, the measure is reintroduced if issues can be resolved during small-group discussions.

New Proposals From the Floor

Based on experience from prior ABCs, the OPPM permits delegates to introduce motions from the floor, but delegates will consider them only after finding that the issue is so time-sensitive that it must be voted on during that ABC. This process will be handled in the following way.

1. Inform delegates they may submit written motions to the ABC secretary and chair. Post motions as they are received on an easel.
2. Set a time on Day 2 for delegates to consider whether to add the motions to the ABC calendar, based on OPPM criteria.
3. Seek the delegates’ guidance on most urgent motions, that are so time-sensitive they must be voted on immediately. Only proceed on motions that have at least a 60 percent show of support.

4. Where more than one floor motion is considered time-sensitive, seek the delegates' guidance on which should be considered first.
5. The chair will ask for a motion to adjourn at about 5 pm on Day 2. (Delegates have the authority to defeat this motion if a critical item hasn't been considered, so it is important that the most urgent items are considered in a timely manner)

From Page 37 of the OPPM:

Motions may be made from the floor by any Delegate during the ABC according to guidelines provided by the Conference Chair. The Delegates will then determine if any of these motions are of a time sensitive nature and should be discussed and acted upon during the ABC. If any floor motions are not deemed time sensitive, they will be referred to the Board for potential action.”

APPENDIX XI – BOARD NORMS OF CONDUCT

Board members have endorsed the idea of norms of conduct that will help promote trust and encourage respectful communication and behavior consistent with the ACA Traditions and Concepts. We recognize that none of us is perfect; we are above all Adult Children who each bring our own challenges with interpersonal communication. Service work can provide many important opportunities for us to grow personally and spiritually if we are willing to look at ourselves honestly.

The central goal of the norms is not to eliminate differences, but to support Trustees in resolving conflicts in a healthy manner that references Program tools. Each Board member shares individual and collective responsibility in upholding the agreed-upon norms of Board behavior listed below.

1. Communication/Potentially Contentious Issues
 - a. Address contentious issues directly with the other Trustee(s) before taking conflicts to the Board as a whole.
 - b. If a Trustee feels it is necessary to consult the Board as a whole about a matter, they will let the other affected Board member(s) know before escalating the dispute.
 - c. Avoid harsh, judgmental comments, and especially be cautious when expressing differences in writing. Use neutral language.
 - d. Before communicating a disagreement in writing, first call the other Trustee(s).
 - e. Listen receptively and respectfully during disagreements. When upset, pause and reflect before responding. Avoid reacting. Try to stay centered and calm. (Trait 14)
 - f. Per the Tenth Step, make sincere and prompt amends, if needed, to the affected parties. Per the Ninth Step, not only do we make apologies, we strive to make behavioral changes.

2. Board Unity/Mutual Respect

Unity is the core principle of the First Tradition. This does not preclude us from expressing differences, but it reminds us that we rely on one another to serve the fellowship, which is our primary responsibility.

We agree to keep the following in mind:

- a. Weigh a conflict's importance against the damage it may cause to ourselves, the other individuals involved, and the Board's ability to do its work. Ask yourself “How important

- is this?”
- b. Refrain from jumping into a conflict that doesn't involve you directly.
 - c. Place principles before personalities in resolving conflicts.
 - d. In meetings, strive to listen to all opinions respectfully. Avoid speaking a second time until all others have spoken.
 - e. Except as permitted by Robert's Rules, avoid interjecting.
 - f. Ensure that the voice of the minority is heard and respected.
 - g. Show respect for the committee process. Ensure that no Board member or Committee Chair remains uninformed about situations that can adversely affect their ability to do their work.
 - h. Avoid secrecy about internal issues that affect the whole Board. We should not be afraid to surface issues that are important.
3. Resolving Conflicts/Enforcement of Norms
- a. The Board will use the norms in this document, along with the Traditions, the Concepts and the OPPM to help clarify and resolve differences.
 - b. Although one-on-one resolution is preferred, the Board has final responsibility to enforce these norms. The Board will strive for a calm, principle-based discussion of all relevant views and information.

The Board recognizes that many norms include some subjective terms, which will be applied in widely varied situations. They will, therefore, regularly review implementation of the Norms of Board Conduct and make changes as needed. The Board also will develop OPPM language to define potential consequences for any Trustee found by the Board to repeatedly violate the norms. (Motion 2019_0112_07)

ADDENDUM:

A motion was passed on August 13, 2020, to include the following guidelines on dispute resolution.

1. All board members may at any time call a group conscience to address troublesome communications. In all board disputes, the board as a whole, per Tradition 2, has the ultimate word. If a group conscience is called, all board members will have an opportunity to be heard.
2. All board members are permitted, and expected to, surface disputes or blockages that they feel affect their safety or effectiveness as trustees. This should be done as quickly as possible, and a first attempt to resolve disputes should begin with those directly involved.
3. Board members consciously strive to avoid Critical Parent or Wounded child communications. All board members commit to respectful discussion of complaints and concerns. Punitive comments will be avoided in all cases.
4. Where first discussions do not yield a resolution, either party may elevate the issue: to a mutually agreed upon group of three mediators, or to the board. If no agreement is reached on who will serve as mediators, the issue goes to the board. If mediation doesn't reach an agreement, any participant may elevate a dispute to the whole board.
5. In any dispute, the board has the authority and obligation to protect a safe, respectful environment for processing all board disagreements. Unless the board as a whole has weighed in, no trustee is expected to accept a decision or action they fundamentally disagree with.

OPPM (Operating Policy and Procedures Manual)

6. In addition to resolving specific disputes, the board may, in the case of repeated or severe violations of Traditions, Norms, OPPM, etc., take disciplinary actions toward individual trustees. This may include letters of caution, request to take a leave, suspension, or removal from the board, in alignment with OPPM procedure.
