Ready Set GO!! (RSG). Ready Set Go!! is a workshop guide authorized by the 2018 ABC. The book was originally created by members of the West Great Lakes ACA Intergroup, as a four-part introductory meeting to ACA's 12 Steps. The guide is being adapted so that it can be used for one-day workshops as well as in multi-part in-person and telephone meetings.

Final one-day module testing is complete. Layout of this project will be ready for final editorial review in mid-February. Print production is scheduled to begin in March 2020.

TRANSLATIONS. International demand for literature is growing. Several groups are translating core literature into the languages of their childhood. New core literature that is offered for free download is uploaded when it becomes available.

With guidance from Majbrit M., translation volunteers are collaborating to develop best practices for translating WSO literature. For example, we find that it is best for translators to work with the support of an intergroup. The European Committee has conducted a call that focuses on translators' needs. The call is held on the first Saturday of odd-numbered months. Remaining calls for 2019 are planned for August 5, October 5, and December 7.

Free trifold in English and other languages can be downloaded from our site at <https://adultchildren.org/literature/free-literature-english-translated/>.

Any ACA member or group downloading free trifolds is asked to kindly make a one-time voluntary 7th Tradition contribution of USD10.00 or more as a token of appreciation for the downloadable trifold service.

If you choose to make a one-time voluntary contribution, please include a note letting us know that the contribution is made by a grateful member for this download trifold service. In either event, we graciously thank you for your support and help in carrying the ACA message.

Free downloadable literature can be copied for ACA meetings or personal use.

The Japanese BRB is ready for production. The literature committee is evaluating production and distribution costs for print and e-books.

The French-Canada BRB will be ready for prepress production in late 2019 or early 2020.

ComLine. The *ComLine* is our quarterly publication where members from around the world share their experience, strength, and hope on the 12 Steps, Traditions, and Promises of ACA. To view current and back issues, please visit the ACA *ComLine* web page at <https://adultchildren.org/literature/comline/>.

We are currently accepting shares for the April issue. Shares for this quarter typically cover Steps 2, 3, 4 and Promises 2, 3, 4. However, all recovery-related shares are welcome.

Deadlines for submissions is February 29, 2019. Shares should be between 250-500 words.

Please email your story along with a scan of the completed, signed [ComLine Copyright Release Form](#) to litstaff@adultchildren.org.

WSO LITERATURE EVALUATION AND DEVELOPMENT. The Literature Evaluation subcommittee reviews proposals to initiate new literature or to revise existing literature. The subcommittee is actively seeking volunteers to read and evaluate literature proposals. To learn more, email liteval@acawso.org.

In January, the subcommittee posted a beta testing version of the Addressing Predatory Behavior meeting safety card, seeking fellowship feedback. To learn more, see: <https://acawso.org/2020/01/25/addressing-predatory-behavior-tent-card/>.

We are currently reviewing suggestions for new literature and changes to existing literature. Development, review, design, and publication of new literature are time-consuming, and major projects can take years to complete.

Literature evaluation involves a wide range of ACA members and viewpoints. In proposing new ACA literature, an author should be motivated by service, and surrender any notion of personal ownership.

The **WSO Literature Development Policy** outlines procedures for submitting a proposal for new literature or to change existing literature. The policy outlines the evaluation, development, and production processes. It provides criteria guidelines for members considering a proposal, as well as a timetable estimate.

The literature development policy can be found at <https://acawso.org/2018/03/13/wso-literature-development-policy/>.
