1. What a rewarding month for being part of the Service Network Committee
2. We dedicated our Committee meetings on April 6 & 7 and 13 & 14 to discussing the Ballot Proposals scheduled for the 2020 ABC. Thank you for everyone that attended.
3. We did a special presentation at the ABC for the Service Manual. A special thank you to Sarah O for stepping up for the power point slides and the presentation.
4. We are excited to have had the ACA Preamble reviewed at the ABC and be one of the breakout room sessions. The breakout room moved to send the ACA Preamble back to our committee with their comments. A number of the breakout room participants have joined the SNC and are meeting regularly to update the Preamble. Plans are in place to continue committee edits and schedule town hall meeting reviews in the summer.
5. Our working groups continue to collect information from the fellowship
 - a. ACA Preamble
 - b. ACA Meetings
 - c. Business Meetings (Group, IG Region)

6. Our OPPM Region Certification updates are being reviewed internally and we are updating the Regional Maps for the US and the World.
7. Members have signed a working group agreement asking for a commitment to confidentiality due to some of the material and literature we will have access to. We are looking at what other committees do for this and ensure we cover ourselves for the literature creation aspect of the Service Manual.
8. The committees virtual AWC workshop for 2020 was a huge success and we covered questions on Service at the Group, Intergroup and Regional level. The questions from participants were excellent.
