

# ACA WSO Intergroup Subcommittee

*June 2020 Report*

The purpose of the Intergroup Subcommittee is to serve as a resource to ACA Intergroups. We are currently beginning the process of re-defining our Vision and Mission statements and building a Roadmap which will form our future work. We have several service opportunities and we are excited to gather more participants who have a passion that matches these opportunities. For more information on the open opportunities, email [intergroups@adultchildren.org](mailto:intergroups@adultchildren.org).

## Summary of Meeting Discussion

“How to Start an Intergroup” document – Determine next steps in a Slack Working Group channel. Goal to submit to literature to create an official Literature document approved at ABC 2021.

ABC Volunteer opportunity list – we are looking for the right committee to be the owner, and then form a working group who will complete it.

Refresh IGSC subcommittee Slack channel members list so members list contains only active participants.

Needs Assessment Survey Results: We recruited a volunteer to do an initial assessment of what the analysis will take. In progress.

Roadmap item: Build communication strategy for IGSC, and what kind of information do we want to communicate to IGs for them to communicate to their meetings, e.g, workshops across world.
