ACA WSO Intergroup Subcommittee

May 2020 Report

"How to Start an Intergroup" document – feedback from groups that have used the document is that the current draft is pretty good as is. Working group will reconvene and aim to finish quickly.

ABC Volunteer opportunity list – we are looking for the right committee to be the owner, and then form a working group who will complete it.

Best Practices – ideation on which documents would be desirable.

Associating Meetings with Intergroup – begin the project of asking Intergroups to connect with their meetings and request that they associate themselves.

Needs Assessment Survey Results: We recruited a volunteer to do an initial assessment of what the analysis will take.
