

## ACA Teen & Young Adult Subcommittees (T&YA) July Report

July, 2020, ACA Teen and Young Adult Subcommittees

We are slowly developing into an ACA resource clearinghouse for teens and young adults. We are gathering information and inviting speakers to share their experience. This helps with the development of ACA Teen and Young Adult meetings. We are seeking fresh ideas on the monthly subcommittee teleconference.

### **We are operating around central questions.**

- ❖ What do we need to make the ACA program known - or better known - among teens and young adults?
- ❖ How can we attract teens and young adults to ACA?
- ❖ How can we be of assistance to teens and young adults?

Every 3rd Wednesday of the month 6pm UTC/2pm ET
