Members met and formed a small group who have compiled a survey for fellowship input on the top 3 to 5 issues pertaining to online and virtual meetings. The survey is expected to go out by email blast to all group contacts and a link in the October Traveler. We ask that responses be submitted within two weeks of receipt so that the committee can use this information to formulate a Town Hall.

A town hall is being targeting for a Saturday, in late October at noon, EST. The date to be confirmed in the October Traveler, email blast, and on Slack channels.

Our members continue to monitor the open slack channel #meeting_service_safety for fellowship input, questions or concerns.

The committee email address is meeting-safety@adultchildren.org. Emails will be monitored by two members, Erin D (PA), Kathy T (CA). If your group has developed preambles or safety initiatives that you would be willing to share with the committee and the fellowship, please submit these by email. We also welcome all inquiries and concerns on meeting and service safety.

We welcome new members to this committee at least through the upcoming town hall(s). Please email us to be invited.
