

Public Services Committee Report for September 2020

<https://acawso.org/category/public-information/>

- The committee is trying out a new date and time to meet. The 3rd Wednesday of the month at 12PM and again at 8PM Eastern, to support as many time zones as possible. This months meetings are on October 21st.
- Jim B is now serving as the PSC chair
- A new goal of the committee is to get participation from at least 5 Intergroups from at least 3 different Continents by the end of the year. Please join us!!!!
- Reaching out to the Spanish speaking community is being discussed. WSO has Spanish translated and printed Big Red Books and Yellow books. How can we inform the public about this resource? It would seem that the fellowships own members can help with this type of attraction, possibly with information shared to their therapists. We are aware of a new Therapists trifold being developed by the H&I committee. The current website resources has the following page <https://adultchildren.org/resources/therapy-and-counselors/>
- We will look at the trifolds similar to “emotional sobriety” done for AA, so we can raise awareness for the program in other 12 step programs.
- And look at the PSAs that were created and see how we can get them distributed.
