

## ABC Committee Report October 2020

The ABC committee is working on recommendations for holding the 2021 ABC-AWC as a virtual or hybrid convention. We have had input from a major law firm as to the contract ACA has with the facility for the 2021 event in Boca Raton FL.

The committee has recommended that 2021 be a virtual event.

The hotel options presented by the 2022 host committee are excellent and we are working on the basic points for a contract we can move forward with.

Committee also votes to change the name to ABC-AWC Committee

In Service David McB Chair
