1. An effort will be made to contact regions, forming regions, and the Intergroup Committee to see if there is an interest in working with the Archives Committee to start gathering their historical materials. Meeting minutes today are history tomorrow!
2. An Oral History has been scheduled for February 27 with Kathleen S. Transcriptions for the former histories done on Claudia Black and Robin R. are awaiting clean-up of the transcripts. There is concern about the slow pace of collecting Oral Histories. Conversations have started to find ways to deal with this.
3. We would like to have copies of the ComLine since its inception. If you have any, contact Marcia J.
4. Quotes are being sought for scanning of our nine boxes of historical material at Signal Hill.
5. The committee has a variety of projects started. More help will be necessary if all are to be continued. More information will be coming on skills needed.

Anyone interested in participating in this committee should contact Marcia J. on Slack or at archives@adulthoodchildren.org
