

Service Network Committee January 2021 Report

We are meeting weekly on Tuesday at 7PM Eastern.

Active Committee Members: Jim, Kelle, Karin, Alaska, Sarah

The 3 Main Committee Goals:

- 1) Continue to issue drafts of the Service Manual
- 2) Encourage and support sharing experiences with the Traditions and Concepts related to service.
- 3) Support Regional Development in ACA

The committee has discussions and schedules our meetings on WSO's Slack. Contact svc@acawso.org to be added to our private committee slack channel.

See <https://acawso.org/category/service-network-committee/> for our recent reports and other announcements.

We always welcome new members to join the team. There are many service opportunities to help document our service-related experience, strength, and hope.

- The Concepts Study Group is meeting monthly on the 3rd Sunday of the month.
- The Concept Study Group has written an introduction to the ACA Concepts for the Service manual.
- We are working on the latest draft of the ACA Service manual with updates, to the meetings section and Business Meetings
- We are excited that so many other committees are working on ACA Service-related material. These will be great resources for the Service manual, a comprehensive guide and tool for ACA members doing service.
- We have been asked to provide some guidance to the OPKM committee on Intergroups. A piece similar to the information on Regional development and certification.
