

Delegate Training Sub-Committee (DTSC) Monthly Report for February 2021

Chair: Cheryl F. **Vice Chair:** vacant **Members:** Mary Jo, Carole C

Our members met to discuss the feedback we received and revise the *ACA Delegate Handbook*. We await approval from the ABC Committee to post the document to our service website. We will have our handbook available for the delegation ideally by our first training session scheduled for Sunday March 14, 2021.

Our Slack Channel was renamed to “**abc_delegate_information**”.

We met to update the DTSC service website with the latest information for the upcoming 2021 ABC in April.

We met to update the delegate training powerpoint presentation for the 2021 delegate training sessions.

DTSC Members continue to collaborate with Erin to work on creating a Traditions Workshop.

Our delegate training sessions were included in the March Traveler and we will have an article in the April Traveler.

We continue to look for someone who has an interest in using the Doodly Program to add animation for the Tradition Skits.

Our Sub-Committee has a need for the following service positions: Vice-Chair, Secretary, as well as additional members to support us with hosting and delivering workshops and training sessions. Our 2021 Annual Business Conference is quickly approaching and will be held on Saturday April 24th & Sunday April 25th, 2021.

Please contact us at dtsc@acawso.org to join us in carrying the message to the delegation!

Next DTSC Monthly Meeting is Monday March 22, 2021 @ 12pm ET
