

LEARNING TO EMBRACE MY INNER CHILD

Women Of Worth Recovering In ACA Quarterly Speaker Meeting

Hear from four different ACA women as they share their journeys to connection with their inner child.

Listen as they share about:

- ❖ How the disconnect with their inner child started
- ❖ How they found ACA
- ❖ How they reconnected with their inner child
- ❖ How they love and care for their inner child today

We hope you can join us to hear these stories of experience, strength, and hope.
