The relationship between a sponsor and sponsee represents a spiritual connection between two people helping each other find life beyond the effects of growing up in a dysfunctional family.

Hear four ACAs share their individual and diverse experiences of sponsorship, including the fellow traveler concept. After sharing, the panelists will answer questions you may have about becoming a sponsor or sponsee.

This event is free, and no registration is required. This event will not be recorded.

7th tradition donations can be made through Venmo to @INRecovery-Intergroup
