We will need a new Member Services Committee Chair as of the ABC. This Chair has reached her term limits. I will be available for mentorship and support if requested. I will be involved with any and all of the committees or subcommittees if I am needed or useful. It has been my pleasure to work with this committee and the people involved with it. I hope to continue with the great people involved with MSC, in some sort of capacity going forward.

We are considering sponsoring or developing a workshop for this 2021 AWC. We need a volunteer to organize that. **Contact Carole at mscchair@adultchildren.org** to apply.

Our **Global Subcommittee, Chaired by** Sue V. has 65 volunteers so far, and continues to expand its reach and activities. They are now in the Democratic Republic of Congo. They contacted Global for support to start a new meeting in the French language. They want to start a new meeting, which will be the first one in that area. Read more about this and the volunteers involved in Global's Report on the Committee Website.

Global is developing guest speaker meetings in the world. Christiane and Elloa have started meeting and working with WSO to translate the Daily Affirmation Book and using it in their meeting.

To build and strengthen ACA fellowship around the world, Global has assisted with Ready Set Go studies and is sponsoring five workshops to build and strengthen ACA fellowship. In Australia, Global is sponsoring a Grandparents, Aunties, and Uncles ACA meeting. From the Far East they have speakers from Japan, China, Singapore, and Taijan.

Global has an agreement in principle with the Board for local printing of ACA literature in S. Africa as they have an agreement in principle with them.

Members Subcommittee: We need a Chair. I continue to answer membership inquiries.

Regions Subcommittee: We need a chair to continue the reorganization of this subcommittee. We will meet next Saturday 11 a.m. Pacific / 2 p.m. Eastern. Lora, Josh, and Justine have been assisting with this. Watch Slack for the information on the next meeting.

Young Adult & Teen Subcommittee (YAT): We need a chair. We are forwarding all emails to Global as their volunteers are also needing support for such meetings. S. Africa, India are asking for help. Israel, Australia, and New Zealand are interested. We have a Pennsylvania Intergroup that is heavily into this subject, but they are unable at this time to assist us. They are, however, modifying the New Hope literature and bringing that down to the children level.

Traveler : Eleni Editor: Working with MSC to approve articles and events.
