- The Therapists Trifold is available for free download at https://adultchildren.org/wp-content/uploads/Literature/Info_For_Health_Prof_Review.pdf
- We are working with the Distribution Center to have the new Therapists trifold available on the shop.adultchildren.org shopping site to allow anyone to get it.
- The trifold has been translated to Spanish and that has been submitted to the Literature Translations subcommittee.
- Public Information is planning on attending any regional events that are taking place where we can set up a table and hand out flyers and other literature.
- We are also planning a **Public Information Day** for the fall this year. The goal is to invite ACA members to share best practices about carrying the ACA message to the Public. We are considering inviting other 12 step programs and health organizations also so they can learn more about ACA.
- The tentative date for the ACA Public Information Day is Saturday September 25th. We are looking at doing a hybrid event with committee members looking for local venues to set up a presence with literature.
