**Recent Activity, of Note**

On August 1<sup>st</sup>, a letter was sent to the registered meetings of WSO announcing the timeline and some of the particulars around the submission of Proposals to be considered for the 2022 Ballot.

We reviewed and updated committee materials, including documents on our webpage and the wording of the Survey Monkey Proposal Submission form.

We drafted a Proposal Crafting Workshop announcement and chose the dates for the Zoom workshops. Mention was made in the September Traveler, in addition to our webpage. We reviewed and revised our Workshop materials.

The first workshop, on August 17<sup>th</sup>, was attended by 4 ACA members representing groups from Wisconsin, Arizona, Argentina, and New Zealand. Much improved over the inaugural workshop, last year. The second and final workshop will be held on August 12<sup>th</sup>.

No proposals were submitted via Survey Monkey in August, and there were no enquiries in our email, beyond a question about the workshop and a request to register a meeting.

**For The Month Ahead**

- We expect a good turnout for the final Proposal workshop, tomorrow.
- The final week of September will bring eligible Proposal submissions. We will begin to review and respond.
