Minutes by Amber D

Roll call: Tamara P., Sarah O., John W., Amber D., Aviva S., Nancy

- Tamara P was to talk to the board to find out what the structure looks like. Right now, the board is still trying to determine what their structure will look like and how the committees will look.
- Sarah O found 2 people to share ESH on intergroups. This group does need a chair who can be responsible for that regularly.
- Amber D reached out to archives; met with Brad L to get copies of the surveys we have done on survey monkey. Looks like we've done surveys in 1991 and 2019. Also met with the ABC/AWC committee regarding their survey needs. Found a couple of other people with complementary data collection skills.

We welcome all fellowship members to join us in future meetings to create this vision of outreach and engagement for the future.
