

Ballot Preparation Committee (BPC) October 2021 Report

Chair: vacant

Board Liaison: Jim B. (FL/CA)

Members: Brad L. (MD), Jim R. (NY), Mary Jo L. (IL)

November 13, 2021

Recent Activity, of Note

Having received the Proposals by September 30th, October was focused on reviewing submissions for clarity and merit (broad application for a worldwide fellowship). Additionally, the committee explored whether issues could reach resolution, avoiding the need for discussion at the ABC. All groups had the opportunity to edit and refine their submissions. The deadline was October 31st.

Statistics

- 17 unique proposals were received
- 4 proposals were withdrawn, either because the submitting group learned that their issue was already being handled, they decided to work with a specific committee instead, or the proposal was more of a question that was answered rather than an issue to be considered by the fellowship.
- 13 proposals remain and edits to 7 of them were received before the October 31st deadline.

For The Month Ahead

- The month of November is focused on shepherding the WSO analysis of each of the proposals.
- With the final version of the proposals in place, the task of translating the proposals may begin. In years past, this was often begun closer to December, so we are comfortably on schedule. We will reach out to remain informed of the translation process
- The arrangement of the Ballot is being considered. Proposals with similar issues will be grouped together.
