

Ballot Preparation Committee (BPC) December 2021 Report

Chair: vacant
Board Liaison: Jim B. (FL/CA)
Members: Jim R. (NY), Mary Jo L. (IL)

January 8, 2022

Recent Activity, of Note

As we entered December, the BPC reviewed the Board analysis for each proposal. We encouraged clarity and neutrality in their messages to the fellowship and offered edits.

The Town Hall sessions were scheduled to provide the broadest opportunity for participation. During these Zoom gatherings the fellowship will learn directly about the content and intention of the Ballot proposals.

We explored the possibility of providing an automated confirmation email for Proposal submissions.

Given his increasing workload in the IT realm, Brad L. has stepped back from committee involvement.

Statistics

- 13 proposals will be on the Ballot
- The Ballot will be available in English, Polish and Swedish
- Go to <https://acawso.org/category/ballot-prep/> for the latest information

For The Month Ahead

- The Ballot was published today, Jan. 8th. Volunteer translation teams have created versions in both Polish and Swedish. Proposals with similar issues have been grouped together on the Ballot. The Proposals, which were designated with letters, are now numbered.
- The month of January is focused on producing Town Halls – online opportunities for members to hear directly from the authors of the proposals and to have brief questioning sessions. Given the volume of proposals, each group representative will have 3 to 4 minutes to present their proposal and about 8 minutes of questions and answers.
