

# **Service Network Committee**

## **Monthly Report for December 2021**

**Acting Chair:** Sharon F.

**Members:** Alaska, Amber D., Charlie H., David B., Josh W., Karin S., Kelle J., Toni P.

**Purpose:** To serve as a point of contact and principal WSO committee focusing on the service structure initiatives approved by the ABC Delegates at the 2017 ABC, and report to the 2022 ABC Delegates findings and progress made for increased role of the Conference in the active maintenance of the world service.

**Top Priorities for 2022:** Under review and revision

**Meetings Held:** The committee met on Dec. 7, to discuss our purpose and priorities for 2022. It was agreed that we would revisit and develop a proposal approved by the 2017 ABC to strengthen the role of the delegates and Annual Business Conference in ACA service. The goal is to work with the ABC AWC Committee to calendar a discussion for delegate input at the 2022 ABC. Other 2022 priorities will be discussed in January.

**Other work:** a research document was prepared with resources and analysis of several fellowships' approach to their Conferences. Updates were prepared for the SNC web page to remove draft Service Manual materials, pending a review of the Service Manual initiative.
