STATEMENT OF PURPOSE (As amended September 1st, 2021)

The Global Members Committee provides support to ACA groups outside of the United States, Canada and Europe, partnering with them to assist their efforts to become self-supporting (Tradition 7) as they grow.

We operate on the principle of attraction not promotion so we respond to requests for support. We listen, seeking to understand what these groups are looking for, and attempt to meet their expressed need as best as we can from our pool of resources, facilitating universal inclusiveness, accessibility and affordability of literature and ACA recovery resources (Tradition 5, carrying the ACA message). We honor Tradition 4 (autonomy) for all groups.

Partner within WSO ACA and our Fellowships around the world to unify our ACA recovery resources.

GOALS

1. Increased accessibility and affordability processes for literature publishing and distribution for emerging countries.
2. Increased accessibility and inclusiveness to ACA recovery resources through meeting support, studies, service committees, workshops etc.
3. Supporting translations and equitable access to the WSO ACA Fellowship and organization.
4. Partner with Europe and North America in unifying our WSO ACA resources for our world-wide Fellowship.
