Mission Statement: To address safety issues related to environments during the coronavirus pandemic, and develop a long-term strategy and potential resources to help the AVA fellowship effectively address other safety issues.

This committee meets twice monthly on the first and third Saturday to coordinate efforts of its sub-committees and discuss their activities.

We met on July 16, 2022. By group consensus the decision was made to bring the completion of developing the Service Norms document and the Virtual/Phone Meetings document to the full MSSC committee. For the August meetings we will work with the Service Norms Working Document. The Virtual/Phone working document, and Healthy Group Conscience will follow in our monthly agendas.

New Business: Beginning in August, we will continue working on the Service Norms working document.

MSSC will meet again on August 6 and 20, 2022 at 4 pm Eastern.
