#### Statement of Purpose

The Purpose of the Volunteer Resources Committee (VRC) is to:

- a. provide guidance and support for the volunteers of WSO, such as developing welcoming and educational materials, and healthy communication and leadership workshops,
- b. be a resource for WSO committees with volunteer needs, and
- c. promote emotional sobriety and healthy functioning in WSO committees.

#### Recent Activity, of Note

Volunteer Day...

Articles were written, sign-up forms created, discussions on Zoom, developments on Slack...

It's all being compiled into a Playbook - to be a resource, if the program is to be repeated.

Playbook (*under construction*) -

One of the forms we created asks ACA members to let us know if they would like to attend. While it is not a required registration it will indicate how many may be participating.

The form is here: <https://forms.gle/uW2VKbc88gzRyeMeA>

We note, with honor and humility, that the Toronto Convention, planned for the same day, has carved out of their agenda the timing of the Volunteer Day, so that their participants may join our program.

On another front, we have fashioned a document that will provide general guidance to members who offer service at WSO. That document will be going through a final edit and formatting. It will be a takeaway for Volunteer Day.

#### For The Month Ahead

At the November Teleconference we will happily announce the successful production of a Volunteer Day that was attended by many, answering their questions and supporting their dedicated service...  
... or not.

Either way, that is our focus. We are a new Committee, creating a new event and we are learning a lot as we proceed with the planning.
