Chair: Laura L. regions@acawso.org

Members present in October:

Alisa A. (Moscow, Russia), Carole C. (Greater Western USA), Dove H. (WSO Trustee, Collaboration Committee Liaison), Pam M. (WSO Rep from Greater Western USA), Sue V (WSO Trustee, Toronto, Canada, Global Members Committee)

Members present in November:

Alisa A. (Moscow, Russia), Allison (Australia New Zealand Regional Project); Carole C. (Greater Western USA Certified Region), Christopher J (Northeast US Certified Region), Dove H. (WSO Trustee, Collaboration Committee Liaison), Pam M. (WSO Rep from Greater Western USA Certified Region), Shari T (California), Tina O (ACA Western Region-new developing region)

Highlights from meeting:

- Discussed committee budget
- In October approved listing of non-certified regions on ACAWSO website. In November voted against keeping a list of developing regions (with intent to certify) on the acawso.org website, but subcommittee will maintain list and connections can be made through subcommittee.
- In October discussed what is the process for re-certification/sections from Appendix II.B. Who will be on the panel to analyze the regional recertification data received? Recertification panel members will need to be aware of any conflicts of interest at the subcommittee level and be able to have a detached viewpoint.
- The Fellowship & Public Engagement and the Policy & Structure Collaboration Committees would like that the Regions Subcommittee determine:
 1. A numbering system for certified regions;
 2. Some short manner of referencing developing regions with an intent to certify until they become certified. A representative from the Northeast US Region suggested a 2-3 character letter reference for non-certified regions and another member suggested that the characters have geographic reference, such as North America, for example:
 - a. ANZ for Australia New Zealand Non-Certified Region
 - b. NA-CA for the developing ACA Western Region growing out of California/N. America
 - c. RUS for the developed Russian Region

There was no meeting in December as we enjoyed some time off.

Next meeting is Saturday, **January 28, 2023** at 3pm Eastern Time Zoom 2: 87078928342 (321654)
