Mar. 11, 2023

#### Statement of Purpose

---

The Ballot Prep Committee (BPC) oversees the proposal process – educating the fellowship, calling for and developing proposals, encouraging translations, compiling a Ballot, encouraging the vote, and tallying and announcing the results.

#### Recent Activity, of Note

---

At the February 12th Town Hall, we held an open space for participants to raise questions about the ABC and the Ballot Process. We provided a friendly atmosphere and continually invited participants to ask questions and comment.

We had the presentation of **Proposal 2** and **Proposal 12**. We had ample time for presentations and open discussion about each proposal. Questions were welcomed. We believe the discussions were beneficial. Links to recordings of both this event and the previous Town Hall are found on our web page at [acawso.org/bpc/](http://acawso.org/bpc/).

Voting on the proposal measures on the Ballot began on February 15th. The poll will be open through April 10th, when the voting ends at midnight, locally.

We have begun to receive submissions from the Ballot Participation survey. This is very exciting because the results will offer a first-ever snapshot of how groups participate in regards to the Ballot. We encourage all groups to participate.

Unfortunately we will not have any results of the Ballot voting by the time of our next Teleconference, which is April 8th. Results will be posted on our webpage, on Slack and in the Traveler.

#### For The Month Ahead

Here are some of our tasks ahead:

- the publication of the Ballot results (Apr 13).
