I have strong collaboration and group facilitation skills. I am passionate about empowering my team and fostering a culture of innovation.</p> <p>Professional Strengths:</p> <ul style="list-style-type: none"> · Identifying and pursuing multiple possibilities · Brainstorming and creatively solving problems · Motivating others by bringing energy and enthusiasm to any task · Communicating or "selling" ideas and possibilities to others · Working closely with teams

Four years ago, I joined the ACA board, excited to contribute my professional and personal skills to make the program better. Today, I'm still excited to serve and create useful tools and resources for our members, guided by their needs and direction. Every meeting brings new discussions and opportunities to refine how we bring the message of recovery to adult children around the world. I look forward to continuing this important work, expanding our reach, and helping even more people find hope and healing through ACA.
