

We at Member Services are presently working on several exciting projects that could use your support.

There is the Intergroup Handbook Editing Team which meets on the third Monday of each month at 12 noon on zoom

ID: 832 2274 7561 Passcode: service

And the Teen Booklet Design/Editing Team which will be meeting again soon.

Then there is the MSC Global Fellowship Meeting that is held on the fourth Thursday of the month, (except December because the meeting date falls on Christmas Day) that could use support

There is also a team starting soon to put together our MSC BRB Celebration Speaker Series to be held the second week of November '26. There will be six days of past and present WSO trustees speaking on their experience with the BRB, with the week ending on Sunday, the 15th, with Claudia B speaking to the fellowship.

And finally there is a team meeting soon to develop a booklet and accompanying trifold that will include the twelve traditions along with their related meditations and insights, as well as the Suggested Commitment to Service

And let's not forget the Volunteer message board proposal just made to the board by member services and the sustainability Sbcmtc and will be worked on after the first of the year.

There are so many ways that you can help Member services to carry the message of recovery! Please join us in our committee business meeting to learn more! It is held on the fourth Monday of the month (except in December, we will be taking the holidays to rest, rejuvenate and hopefully have a little fun over the holidays, so our next meeting is January 26th) We would love to see you there!

Best in service,
William G-B
Member Services Chair
