Fellowship Review Overview

- New literature undergoes fellowship review for 6 months to 3 years.
- During this time, the fellowship at large is encouraged to use the literature and give feedback.
- Literature Evaluation subcommittee will review all collected feedback, and at the end of the review period.
- Conference Approval is the final step.

Future Process and Next Steps

- Structural and grammar edits are part of our regular work and are already underway.
- More substantive content changes from Fellowship Review will require thoughtful development, with completion anticipated through 2028.
- Additional volunteers will be needed to support the work and help represent the breadth of fellowship input.
- This update is shared to keep delegates informed on current progress and the realistic timeline moving forward.

The background features a diagonal line from the top-left to the bottom-right. The area above and to the left of this line is divided into several geometric sections: a dark purple triangle at the top-left containing a white dot; a blue square with concentric circles; a grey semi-circle; a pink triangle with diagonal lines; a pink square with a white line pattern; a blue square; a grey triangle; a dark purple triangle; and a pink triangle. The area below and to the right of the diagonal line is a solid blue background.
